Orange County Sentiment On National Question Is Freely Expressed in Poll

SUPERINTENDENT Wood's indignation is well justified against reckless charges of communism in California schools. That an exiled Russian countess who makes her living out of Bolshevik bugaboos should have made these accusations is not significant. Their chief importance is in scaring our own ghost-seers. We have alarmists who think they glimpse the whole Red army behind every little sheep of parlor radicalism or amateur iconoclasm. There is little enough even of that in our American schools—less than in any other schools in the world. But if budding minds occasionally do toy with thoughts which atrophied ones do not grasp, that is merely one form of growing pains. The remedy is more growth, rather than a futile attempt to impose premature compulsory atrophy. Anyhow, the Bolsheviks have nothing to do with it. They have enough real crimes on their heads, without adding imaginary ones.

THE announcement of the opening of better telegraph service in and to Mexico means much for better understanding, and therefore for better relations, between our two countries. Prompter and cheaper service, including night letters and money transfers, will make the transaction of business easier. But even more, the low pressure, with direct connections for quick transmission, will improve the quality by increasing the quantity of news. It is a curious fact that wherever telegraphic service is so slow and so expensive as to compel cutting down news to the lowest limit, the last items to survive are those of crimes, calamities, scandals and revolutions. Loosen up transmission conditions and you increase these features very little, but you do add many others of a more constructive character. The more freely the news flows, the more people understand each other. And with understanding comes peace, prosperity, trade and progress.

FORMER (and probably future) President Alvaro Obregon of Mexico has been visiting California. As a good Irishman, whose ancestral name was O'Brien, he is a Mexican after our own heart. He is one of our country's heart, too. He was the restorer of modern Mexico. As a soldier he brought peace to his country by fighting for it, and then as a statesman he established, for the first time, real constitutional government in Mexico. He was the first to free Chapultepec palace by title of a free election, he was also the only one to leave it voluntarily when the constitutional term expired. His successor, President Calles, holds the same tenure and will go out by the same limitation. Then the present President, General Obregon, will be elected again, under the constitution which permits any number of terms, provided they are not successive. Less radical than Calles, but just as loyal to the interests of the common people of Mexico, patriot of his own country but also tolerant friend of others, General Obregon is one of the soundest stabilizing forces of the continent.

PRESIDENT Coolidge has served one year "in his own right." And so far that quite unaccidental thing mislabeled "Coolidge luck" has been with him. In his last year of President Harding's unexpected term, President Coolidge made himself popular by being right when Congress was frequently wrong. But critical observers all said that mere being right could not carry him indefinitely, unless he also showed capacity to make the right things right. He must not merely be right; he must win. And, with his apparently inhibited personality and his theories of non-interference, they were not sure he could win.

Well, he has won. He is the first president on record to have his principal policies carried by a Republican-Democratic coalition. The two critical tests were the World Court and the measure, and they both went through by almost unanimous vote, opposed only by the belligerent insurgent faction. The railroad labor bill went through by 81 to 13. The great coal strike finally settled itself, just as "holly-holly" politicians were preparing to force his hand. The disarmament conference resolution passed without opposition, and now, if there is no conference, it will be visibly Europe's fault and not ours. All the war debts are adjusted except France's, and that will soon follow unless the Senate shortly upsets the Italian agreement. And Congress, for the first time in the memory of this generation, gives promise of an early adjournment in a "long session" year, with its work all done, and done Coolidge's way, under his leadership.

There were those who said Coolidge could not lead. They may even question whether he is leading now. But the test of leadership is following. And Congress and the country are following Coolidge.

Controversy Over Dam Site Heard

LOS ANGELES, March 9.—A special board of investigation, appointed by Secretary of the Interior Hubert Work, is hearing the controversy over the San Gabriel Dam site, on the San Gabriel river. Los Angeles county is protesting against a dam at this site, claiming it would prevent easy transportation of building materials up the river to its own dam site.

Quadruplets Are Born; All Boys

BEAVER FALLS, Pa., March 9.—Quadruplets were born to Mrs. Herman Biehl, 25, here today. The babies, all boys, are reported as "doing just fine."

JURY HOLDS NEW L. A. JAIL FAULTY

LOS ANGELES, March 9.—A coroner's jury decided this afternoon that the magnificent \$6,000,000 Los Angeles county jail was of "faulty construction," and recommended that it be rebuilt to prevent further escapes.

200 MILL STRIKERS IN DEMONSTRATION

PASSAIC, N. J., March 9.—Two hundred textile mill strikers today marched in zigzag fashion about the Botany Worsted mill, where 1000 of the normal 6000 workers are still at work.

11 Fresno Cops Are Reinstated

FRESNO, March 9.—Eleven police officers of Fresno were back on the patrol today, after being reinstated on a writ of mandate issued by Superior Judge Denver Church. The policemen were acquitted in federal court, where they faced charges of grafting from bootleggers. They may have to stand trial before the civil service commission, however.

Airman Postpones Altitude Flight

DAYTON, O., March 9.—Due to atmospheric conditions and low visibility, Lt. John A. MacReady this afternoon postponed his proposed flight to recapture the world's altitude record. "I will attempt the flight at the first favorable opportunity," MacReady said, announcing the postponement. Weather conditions permitting, the flight will be made tomorrow, he said.

TOT STUMBLES INTO TUB OF RAIN WATER, DROWNS

Toddling away from his father, with whom he was playing in the front yard of his home in Garden Grove, the 14-month-old son of R. E. Rickman fell forward into a tub of rain water, last night, and drowned.

Heavy Rainfall Hits Capistrano

San Juan Capistrano, host to a cloudburst several weeks ago, was visited by a freak rain this morning, a total of 35 of an inch, falling, according to the gauge on the Carl Hankey ranch. So far as is known, this was the only section in Orange county in which a heavy rain fell, although several sections reported a few drops.

Grand Jury Meets

LOS ANGELES, March 9.—The 1926 Los Angeles county grand jury began its work today.

ISOLATION OF PEKING DEFIES BOXER TREATY

PEKING, March 9.—Peking today is cut off from mail and freight communication with the outside world.

The isolation results from the battle around the Taku forts, near Tientsin, where Kuomintchen troops and a force representing the coalition of Marshal Chang I-shan, Wu Peifu and Li Ching Lin are hotly engaged.

Marshal Feng Yu Hsiang, Kuomintchen commander, who controls the Peking area, boldly defied the Boxer protocol by notifying pilots that no vessels would be permitted to pass the forts, thus closing the last outside mail and freight connections with Peking and Tientsin. The forts fired on pilot vessels before notifying the pilots of the new order.

The diplomatic corps is expected to protest against the isolation of Peking and also against the arming of the forts, both of which are contrary to the Boxer protocol, which made it the duty of the Chinese government to maintain permanent communication between Peking and the sea.

Within the city, the political situation is chaotic. There virtually no cabinet. Two newly appointed ministers have refused to serve. North of Taku, the coalition forces are reported to have effected a landing and to be engaged in fighting, which already has cost many casualties.

DEPORTATIONS BY MEXICO STOP U. S.

WASHINGTON, March 9.—Shortly after Chairman Borah, of the senate foreign relations committee, had voiced in the senate today a defense of the Mexican government, the state department this afternoon issued a statement that Ambassador Sheffield to use his good offices in mitigating Mexican deportations of American religious teachers.

Senator King, Utah, Democrat, introduced resolutions asking for American-Mexican diplomatic correspondence since 1910, and also demanded investigation of American border officials' exclusion of persons said to be disliked by the Calles regime.

WET, DRY FORCES IN SENATE CLASH

WASHINGTON, March 9.—Wets and drys staged a turbulent debate in the senate today over propaganda issued by both sides.

Senator Bruce, Maryland, wet Democrat, started the exchange when he read results of newspaper polls showing an overwhelming majority for light wines and beer.

Senator Willis, Republican, Ohio, retorted he had lost out of dry propaganda in the senate and would unload it into the record, unless wets stopped their practice of putting newspaper stories into the record.

Dry Air Fleet Is Being Organized

WASHINGTON, March 9.—America's first prohibition air fleet was being organized today by Adm. F. C. Billard, commandant of the coast guard, and navy department negotiations with the navy department for the purchase of five amphibian seaplanes. Admiral Billard announced that he had appointed a board of guard officers to establish air bases along the Atlantic coast from New England to Florida and to investigate the policies for the "dry" air service.

SEATTLE VOTES ON WOMAN FOR MAYORALTY JOB

SEATTLE, March 9.—Whether Seattle shall become the largest city in the country to be ruled by a woman was being decided at the polls today.

Mrs. Bertha Landes, council member, seeks election to supplant Mayor Edwin J. Brown, and the betting when the polls opened was 50-50 that she would do it.

Political dopesters concede that Mrs. Landes has made great gains, especially within the last few days, and admit that the race has been a close one.

The woman politician's campaign claims she is not depending upon the feminine vote for victory, but expects fully as many ballots from the men as from her own sex.

DERBY HAT IS PASSE BUT ONE MUST BE FOUND

Is there a brown derby in Santa Ana?

The days of the brown derby, along with horses and open saloons, have gone—this is an age of smocks and green gloves.

But, just the same, is there a brown derby in Santa Ana? Harry Brackett, member of the Community Players, wants to know, because he wants to borrow it as part of his makeup in the Community Players' production, "The Passing of the Third Floor Back," to be presented March 17, 18, 19 and 20 in the Ebell auditorium.

Brackett takes the part of "Mr. Samuels" and "Mr. Samuels" just can not come out on the stage without a brown derby perched on one side of his head. Therefore the need of the derby.

If there is a brown derby in Santa Ana and the owner is not saving it to wear on Sunday, Brackett would like to borrow it during the four days of the show.

Mrs. Jack Wendel, former resident of this city, is here on a visit in the homes of Mr. and Mrs. A. Crawford and Mrs. J. R. Paine. The Wendels are now living near Tuba City, Cal., where they have a 20-acre peach orchard.

Mr. and Mrs. R. S. Roehrig of Pasadena were visitors last week in the home of Mrs. Roehrig's parents, Dr. and Mrs. L. L. Boudin, 802 Garfield street, their final visit home before leaving Saturday for San Francisco. From thence, they will sail tomorrow on the S. S. Wilhelmina for Honolulu where Mr. Roehrig will be stationed for the next two years in the interests of the U. S. Radio corporation. This is their second trip to the islands in connection with the corporation.

Mrs. R. R. Russick, physical director for the Y. W. C. A., and the Misses Harriet Wollaston, Carolyn Haughton, Lula Ott, Erma Schooley, Edith Durbin, Helen Kuitiz and Myrtle Reeves formed a jolly group of young women from the Y. W. C. A. gymnasium classes who spent the week-end at the "Y" cabin, situated about a mile above Modjeska's home.

Mr. and Mrs. C. B. Briggs and their daughters, the Misses Martha and Roberta Briggs, have come to Santa Ana to reside, being located on East First street. Mrs. S. L. Kaffer, another daughter from El Paso, Tex., is here for a visit. The Misses Martha and Roberta Briggs formerly lived in Santa Ana and went from here to Honolulu, where they spent eight months in the interest of the Edwin Bellows Publishing company, which they have also represented for the past fourteen months in San Diego and with which they are still connected. The young women are receiving a warm welcome and state that they have found no place they like as well as Santa Ana.

Mrs. Louise Grouard Mock, president of Santa Ana parlor, Native Daughters of the Golden West, and her committee for homeless children's work, Miss Louise Kaiser, and Miss Carrie Moore, together with Mrs. Bertha Hitt, president of Long Beach parlor, were in Los Angeles last Friday night attending a meeting of the executive board for the Los Angeles home.

Mr. and Mrs. Chris Junker of Fremont, Neb., who have been spending a pleasant week with their old friends, Mr. and Mrs. Frank B. Koss at the Ebell apartments on French street, left yesterday for Anaheim, where they have a home, which they hope in the future to occupy permanently. Many interesting trips have been taken about Southern California, the week-end having been passed at San Diego and vicinity. Mr. Junker is connected with the Union Transfer company in Fremont.

The hosts of friends of E. L. Morrison of 118 South Birch street, will be glad to know that he is at home again from the Good Samaritan hospital, Los Angeles, where he again underwent minor operations on March 2. Mrs. Morrison was with her husband at the hospital and returned home last Friday. G. E. Shriver and W. D. Barker driving up for Mr. Morrison on Saturday. Mr. Morrison is now able to be around the house and is anxious to see his friends.

Mrs. W. J. Fleming has returned to the home of her son-in-law and daughter, Mr. and Mrs. J. H. Mandall, 219 East Chestnut avenue, after spending three months with her son and daughter-in-law, Mr. and Mrs. James T. Fleming in Oakland.

Madame Manuela V. Budrow, Santa Ana Spanish prima donna, will be on the program at tomorrow's luncheon and program of the Wa-Wan club at the Biltmore in Los Angeles. Her name was suggested to the program committee by L. E. Behymer, well-known impresario, who will be one of the speakers and honor guests. The program will feature California "History and Landmark" day.

Mrs. C. C. Taylor of Chicago, who is a house guest of District Attorney and Mrs. A. P. Nelson, has gone to Hollywood to visit with friends for a week, and to see how the "movies" are made.

Miss Jessie Millar, sister of Mr. and Mrs. A. H. Theal of 2525 Santiago street, has returned from a pleasant week's visit with old friends in Glendale.

Ira Parker, president of the Ira Parker and Sons Paint company of Oshkosh, Wis., and Mrs. Parker who were guests for three days at the home of their old friends, Mr. and Mrs. J. S. Fluor at 1514 North Main street, left last evening for Los Angeles, where they are spending six weeks at the Olympic hotel before going to San Francisco. Mrs. Fluor will visit with them tomorrow. Mr. and Mrs. Parker are delighted with Orange county, Mr. and Mrs. Fluor having taken them

AIR AND LAND PARTIES SEEK WRECKED PLANE

While land parties comb the hills north of Laguna Beach, an airplane, piloted by Eddie Martin, of Santa Ana is today soaring over the district, endeavoring to locate the wreckage of an airplane reported to have plunged to earth this morning.

The search got under way following a statement by Mrs. J. E. Neel, wife of the cashier of the bank in Laguna, that she had seen an airplane, apparently on fire, fall into the hills north of the town. Mrs. Neel was sitting on the porch of her home at the time and had a clear view of the fall, she says.

Nearly 50 residents of the artists' colony, among them several nationally known persons, are taking part in the search. Among those in the party are Garry Cravath, once-famous home run king, and Frank W. Cuprien, noted artist. Because of the nature of the district, the searching parties were unable to make much progress and a hurry call was sent for Martin. Although it is believed that the wreck, if there has been one, will be discovered by the airplane, the ground search will not be abandoned.

PLAN CONCERT FOR SAWTELLE SOLDERS

Anyone interested in the disabled soldiers and veterans of any of the three wars, Civil, Spanish and World, may join the members of Calumit camp and auxiliary tomorrow in their motorcade to Sawtelle, where they will sponsor the appearance of the famous Shell Oil band in an entertainment.

The band, one of the best known in the state and which never commands less than \$150 for its services, is donating the concert under the auspices of the local organization, to please the soldiers. A general concert will be held in the early afternoon for all those veterans able to reach the assembly hall. This will be followed by a special performance for the shut-ins, to be given in Ward 14.

M. C. Cooper, commander of Calumit camp, and Mrs. Bertha Dugdale, president of the auxiliary, are making arrangements for the event and have announced that anyone who wishes to accompany the large delegation of Spanish War veterans and their wives, leaving here tomorrow morning, may do so. The Santa Anans are planning to picnic in the pepper grove in Sawtelle at noon.

Hold G. W. Brown Service Wednesday

ORANGE, March 5.—Funeral services for George W. Brown, 62, of Orange, who died at the home of a son, Guy, in Anaheim, will be held from the C. W. Coffey parlors Wednesday afternoon at 2:30 o'clock. The Rev. Hull, of the First Methodist church, will officiate. Interment will be in Fairhaven cemetery. The deceased is survived by his wife, Ruby, and six sons.

for various trips, and hope some day that they may be able to come here to reside.

Mr. and Mrs. Claude C. Sleeper today drove up from Laguna Beach, where they are staying for a month, while Mr. Sleeper recuperates from a recent operation. Mr. Sleeper's father, County Assessor James Sleeper and Mrs. Sleeper spent Sunday at the beach.

Mrs. Maude Swarthout and her daughter, Mrs. Gladys Landers of 115 French street, returned Saturday from a trip to Los Angeles and El Segundo, visiting their daughter and sister, Mrs. O. A. Caruthers, at the latter place. Mrs. Swarthout and Mrs. Landers went to Los Angeles last Wednesday.

Atavism

Many hundreds of years ago, men discovered fine wool among the hairs on certain goats in their flocks. By culling them out and by cross breeding and better feeding this short hair disappeared as a by-product and became the goat's wool. And to this day, if flocks of sheep are not properly fed and tended they make an atavistic return to the goat hair of their ancestors.

IT IS PETERSON'S good fortune to be one of the favored few stores in the county to offer the exclusive hand-made Betty Slippers. They are bench-made, by real artists, and only a limited quantity produced.

Perhaps it was our vanity at first that led us to persist in our efforts to get Betty Slippers for our store. But now, we recognize nothing but pride in the finely wrought styles they delineate.

The first ones received are of Patent Leather with gold snake trimming; another of Blondine Kid with cobra trimming; and another in all Black Satin. These three in the style of slipper illustrated above.

They are not excessively high in price—the Black Satin is \$11.50, the Patent is \$12.50, and the Blondine Kid is \$13.50.

Death Notices

A WORD OF COMFORT
It is gratifying to be informed,
by those who have made an in-
tensive study of the ups and downs
of industrial conditions, that a pe-
riod of fifty years, that variations
marked by wholesale depressions
and booms followed by nation-
wide periods of depression have oc-
curred with less and less fre-
quency. The commercial world is be-
coming more stable and more
efficient and the security of the
average livelihood is better se-
cured in each succeeding year.
There should be a similar dimi-
nution of the distance between the
extremes of depression and of ex-
citation in your own spiritual life.
You should be gaining a firmer
hold upon your faith and hope so
that events, great or small, shall
not unsettle you nor impede your
steady development.

New Way to End
Dangerous Cough

The most stubborn cough is relieved
with the first dose, and is very often
broken up entirely in 24 hours by a
new method based on the famous Dr.
King's New Discovery for Coughs.
Here is the method: You simply take
one teaspoonful and hold it in your
throat for 15 or 20 seconds before swal-
lowing it. The prescription has a double
action. It not only soothes and heals
soreness and irritation, but also loosens
and removes the phlegm and congestion
which are the direct cause of the cough-
ing. So with the cause removed, the
severest cough usually disappears quickly.
Dr. King's New Discovery is for
coughs, chest colds, bronchitis, spas-
modic croup, etc. Fine for children, too—
no harmful drugs. Very economical,
as the dose is only one teaspoonful. At
all good druggists. Ask for

SEEKS WRIT OF
HABEAS CORPUS
IN SPEED CASE

Opposing his sentence of 10 days
in the county jail and a fine of
\$100, given in connection with a
speeding charge, in Seal Beach,
William A. Bartholomae, 2953 1-2
Ives street, Los Angeles, said to be
president of a Long Beach oil
company, today had a petition on
file in superior court for a writ of
habeas corpus. Hearing on the writ
is set for March 15, at 10 a. m., be-
fore Judge Z. B. West. Bartholomae
having posted \$200 bail for his ap-
pearance.

Recorder, C. H. Morrison, of Seal
Beach, sentenced Bartholomae
March 5, the arrest having taken
place February 17. Bartholomae
was charged with driving his car
at a rate of 56 miles per hour.
His petition for a writ of habeas
corpus declares that he was sen-
tenced before any formal complaint
had been filed with the court and
without his own presence in the
court. The petition does not attack
the sentence as excessive.
According to the papers on file,
Bartholomae commissioned another
man, Dave Lockard, to appear
for him in court and ask that the
hearing be postponed to a later
date. Lockard, he says, pleaded
guilty for Bartholomae, without au-
thority, and sentence thereupon was
pronounced without Bartholomae
being in court. Efforts of the oil
man's attorneys later, to have the
sentence set aside, were denied by
Recorder Morrison.

Attorneys Swaffield and Swaf-
field, of Long Beach, represent
Bartholomae.

Music Section

Opening their late morning ses-
sion with chorus singing of "Ame-
rica the Beautiful," Ebbl music se-
ction members yesterday discussed
many interesting musical events of
current interest as a feature of the
roll call which followed.
Miss Leonora Tompkins, section
leader, announced the State Music
Association convention for March 20
to 24, in Santa Monica and Miss
Preble Drake was named as dele-
gate from this section. After a dis-
cussion of various interesting fea-
tures in the March Ende, Mrs. Wil-
liam Salisbury gave the chapter on
"Chamber Music" from the study
book.

Referring to the auditorium, sec-
tion members had the delightful ex-
perience of hearing Madame Leon-
tine Redon, a newcomer to the city
whose voice proved to be one of the
loveliest imaginable, its tones
sweetened and strengthened by
careful training. She proved her
artistry in three numbers, "Car-
nivall" by Fouldrain, "Retreat" by La
Fourge and "My Love is a Muleteer"
by Mogero, returning to give an
encore number, the lovely spring
song from "Pippa Passes." Her
accomplishments were played artist-
ically by Miss Tompkins.
The musical morning was followed
by a unique Kentucky luncheon
planned by Mrs. Rolla Hays and her
committee, Mrs. B. H. Sharpless,
Mrs. Jay Hamill, Miss Preble Drake
and Mrs. C. F. Cross. The menu
was a delicious one of many old-
fashioned southern dishes, ending
with pistachio ice cream in sham-
rock molds. It was enjoyed at
tables gay with St. Patrick emblems
and baskets of Irish bopom ar-
ranged under the artistic direction
of Mrs. W. L. Grubb.

Piano Recital

A piano recital was given by pu-
pils of Miss Minnie Lois Phillips
Friday evening at Chandler's Mu-
sic room. A large number of people
gathered to enjoy the program
which was unusually entertaining.
All of the numbers were played
from memory except one, "Fairy
Bells," played by Wauwetta Bolton.
Katherine Cook and Elizabeth
Marston all eight eight years. The
three little girls played at one
piano and charmed their hearers
with the joyousness of the render-
ing of "Fairy Bells."

Those taking part in the recital
were Ruth Greenwald, Dorothy
Carlson, Vivian Noble, Phyllis
Krook, Barbara Warner, Katherine
Cook, Eliza Mae Hoxsie, Ruth John-
son, Thelma Marks, Wauwetta Bol-
ton, Elizabeth Marston, Barbara

McKeith, Hollis Bowe, Mirel Gubi,
Della Fowler, Juanita Decker, Helen
Hamilton, Elizabeth Downie, Helen
Evans, Dorothy Jessup, Esther

It was announced today by Harry
D. Riley, president of the organi-
zation.

Program arrangements for the
dedication of the new high school

"KERNELS"
BY THE COLONEL

Now that The Register has
started a campaign to deter-
mine just what the people of
Orange county think of probi-
tation, if any, it seems a proper
time to make a few sugges-
tions and to tell the bank-
leaners and other PROMINENT
citizens just what the results
of the balloting will be.

J. McGoofus McWhistle, who
was taster of light wines and
beer during the free silver
fight, predicts that the vote
will be overwhelmingly in fa-
vor of prohibition with strict
enforcement.

People like to vote for something
they know nothing about. They've
never had strict enforcement, so
they'll probably want to try it out.

Mr. McGoofus gives the following
reasons for believing that probi-
tation will win in The Registers straw
vote:

1. There is a drug store on
every corner and NATURALLY
some druggists are in favor of
prohibition.
2. There are doctors' of-
fices over all the drug stores
that are located on every cor-
ner, and NATURALLY some
doctors are in favor of probi-
tation.
3. There are bootleggers in
all buildings adjoining buildings
occupied by doctors and drug
stores and NATURALLY all
bootleggers are in favor of probi-
tation.
4. There are scores of women
who still remember when father
came home with a bun on his
nose resembling the rear light
on a Ford, and with a mean
disposition and empty pocket-
book, and NATURALLY these
women will want prohibition.

"Take all the druggists, doctors,
bootleggers and women out of this
country and there would be no
country," stated McWhistle today.
"Therefore I predict that probi-
tation will win by an overwhelming
majority."

Then, let us not overlook the fact
that this is an election year in Or-
ange county, and as seven out of
every 10 men are running for some-
thing and all claim they will pull
the "church vote," that also will add
to the probi vote.

"I am strictly in favor of probi-
tation," said Pete Pennyantis,
president of the Bankleaners'
club, "because prohibition has
taken booze out of the hands of
the trusts and distributed it
equally among the common peo-
ple."

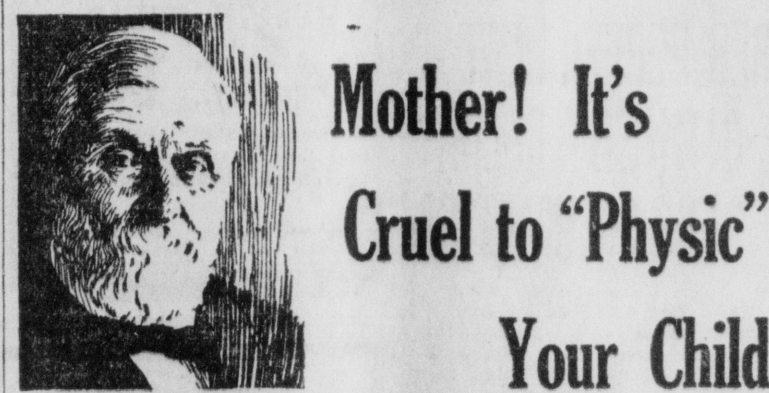

"Today we get only the pure
stuff, as pure as mountain
dew, unsullied by the dirty
hands of a group of men, who
at one time, controlled the
liquor interests of this coun-
try," Mr. Pennyantis said.

Today's booby prize goes to
the man who refused to vote
in The Register's prohibition
straw vote because the ques-
tions asked did not include
his two favorite beverages,
JAMAICA GINGER AND
CANNED HEAT.

NOW IT'S YOUR TIME—

"Mr. Gustlin soon caught a nice
trout, large enough for a meal for
himself and after removing it from
the hook, laid the fish down on the
floor of the pier while looking for
a string on which to put his
piscatorial prize. The trout, how-
ever, had other plans and with one
mighty jump, leaped from the floor
and back into the lake."—Register,

DR. W. B. CALDWELL
AT THE AGE OF 83

To Dr. W. B. Caldwell of Mon-
tello, Ill., a practicing physician
for 47 years, it seemed cruel that
so many constipated infants and
children had to be kept constantly
"stirred up" and half sick by tak-
ing cathartic pills, tablets, salts,
calomel and nasty oils.

While he knew that constipation
was the cause of nearly all
children's little ills, he did not
believe that a sickening "purg-
e" or "physic" was necessary.

In Dr. Caldwell's Syrup Pepsin
he discovered a laxative which
helps to establish natural bowel
"regularity" even if the child is
chronically constipated. Dr. Cald-
well's Syrup Pepsin not only

causes a gentle, easy bowel move-
ment but, best of all, it never
gripes, sickens or upsets the most
delicate system. Besides, it is ab-
solutely harmless, and so pleasant
that even a cross, feverish, bilious,
sick child gladly takes it.

Buy a large 60-cent bottle, at
any store that sells medicine and
just see for yourself.

Determining
Intrinsic Value

WHEN the attention of investors is directed to securities of companies
with which they are only slightly familiar, there are several meth-
ods whereby the intrinsic value of the securities may be determined.

Compare the ratio of the total assets to the bonded debt with a sim-
ilar ratio of other companies which are known. The ratio of assets to
the total capitalization may also be compared. The number of times
net earnings exceed interest charges on the bonds indicates the relative
stability of a company.

Another comparison assists in ascertaining the strength of a com-
pany—whether it is over-capitalized—if its capital has been wisely in-
vested to produce satisfactory earnings which, in turn, indicates indi-
rectly, but somewhat conclusively, the character of the management.

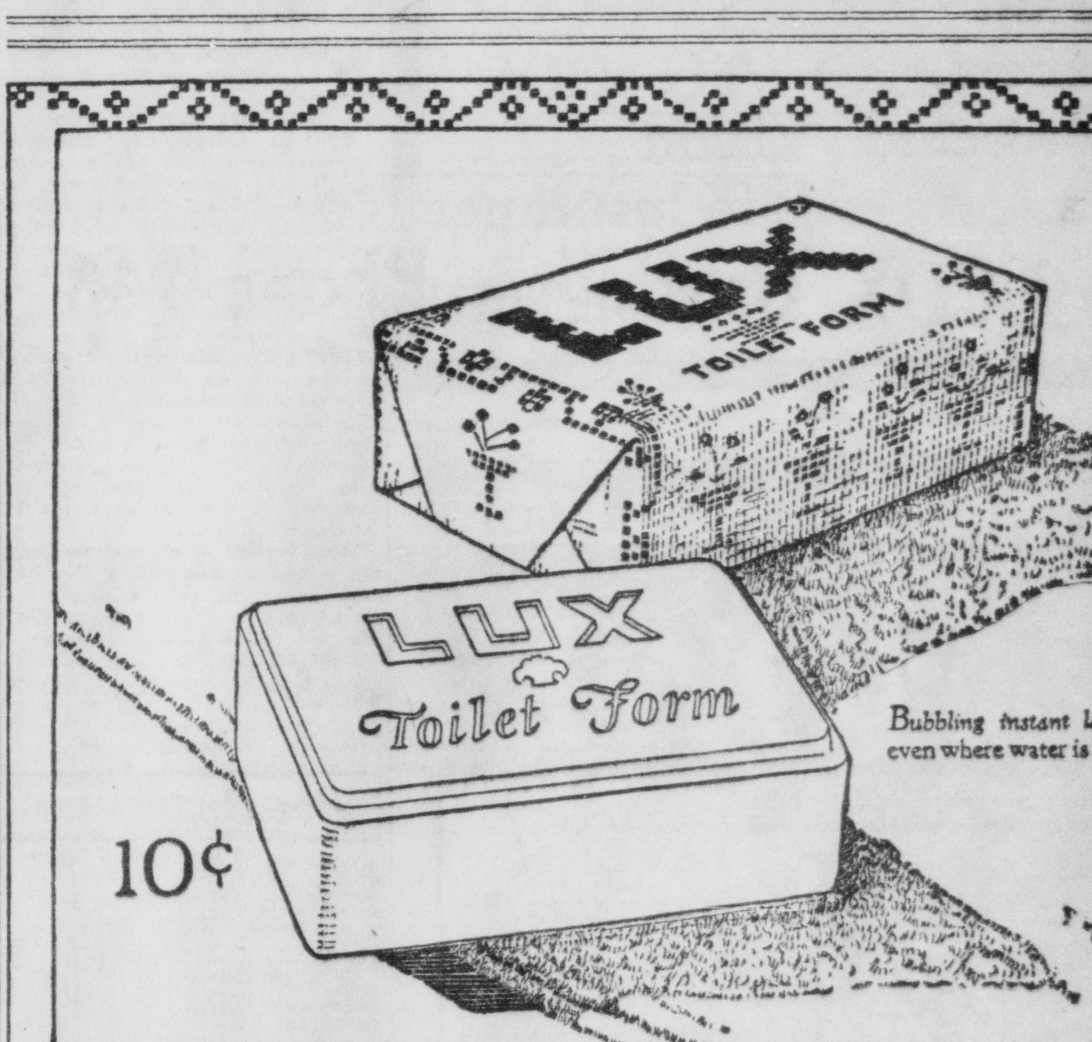

This is to compare the ratio of the total capitalization to the net
earnings of a company of accepted strength with a like ratio of any
company in the same industry which is under consideration.

Several comparisons of the Rio Grande Oil Company with other
companies having securities in the hands of the public have been pre-
pared. These indicate that this company occupies a very favorable
position. As a result the First Mortgage and Collateral Trust Con-
vertible 7% Bonds of this company possess many elements of stability be-
sides attractive features.

A certified balance sheet of the company as of September 30, 1925,
showed total net tangible assets equal to \$3119 for each \$1000 bond.

Detailed information concerning this com-
pany is worthy of investor's attention. We
shall be glad to furnish it upon request—
written or telephoned—without obligation.

Bubbling lather even where water is hard

"Do make it"
women pleaded

"We must have a toilet soap as exquisite
for personal use as French soaps," they said
—"but oh, not so costly!"

"As smooth, firm and lasting as imported soaps," they de-
manded, "with that soft delicious lather that caresses your
skin. And fragrant—delicately, exquisitely so. We know you can
make it—you made miraculous Lux. Please!"

Delightful, imperious women—we have made the soap you
asked for. Made Lux Toilet Form.

Made it just as you wanted it—like French soap. Made it
by the very method France uses for her finest toilet soap. Lux
Toilet Form is satin smooth, firm, lasting—a true "savon condensé."

The caressing, irragrant lather you loved in imported soaps—
touch Lux Toilet Form to even hard water and you have it! It
gives your skin that same velvety luxurious feeling! Ask for Lux
Toilet Form today at druggists', department store or grocery.

Loss of Appetite

A DANGER SIGNAL

Loss of appetite is a sure sign of failing health. Everyone knows that something is wrong—but what? Nine times out of ten it is the stomach, bowels, kidneys or liver. When the digestive and eliminative organs are working properly, Nature demands food and one eats with a relish and feels well.

Lyko, the great general tonic, has done miracles for thousands of ailing men and women. It contains the necessary ingredients to aid digestion, prevent constipation, and keep the kidneys and liver in a healthy, active condition. Go to your druggist today and get a bottle. Let one trial prove to you the merit of this wonderful tonic. Why continue to suffer when relief is so near at hand?

KNOWLEDGE OF INSURANCE GIVEN WOMEN

A wider knowledge of the benefits of insurance was brought to members of the Business and Professional Women's club by a talk on that theme at yesterday's meeting, at St. Ann's Inn, by John Estes Jr., speaker introduced by the March program committee.

Adding to the interest of the program was a group of characteristically clever readings by Mrs. Estes, as well as various business matters presented by Miss Martha Whitson, president of the club. These included the naming of Miss Doris Robbins, Miss Flora Pritchett and Miss Virginia Craig as a nominating committee, in anticipation of the April election of officers.

Miss Whitson also read an interesting letter from the Kiwanis secretary, A. H. T. Taylor, appreciative of the recent joint meeting of the two service clubs. Guest introductions yesterday included Mrs. Eleanor Jarmon, Mrs. Mabel Wimmer, of the board of directors of the Orange B. and P. W. club, Miss Cora Kurlie, Mrs. Harrison Wilcox, a visitor in the city from Lorain, O., Mrs. Pritchard, of the Oakland club, and several others.

New members welcomed. Warm welcome was extended Mrs. Martha Briggs, popular member, who has been absent in Honolulu and, returning from there, in San Diego, for many months. Three new members also were extended warm welcome, Attorney Walker, Cushman, Miss Helen Walker, Americanization worker of the city schools, and Olive Peeler, modiste.

Declaring that co-operation is the basis of life itself, Mr. Estes followed his introduction with an elaboration of that theme, going clear back to Garden of Eden days for the beginning of his analogy. Co-operation he declared to be exemplified in perfection by the great life insurance companies of today, and told his hearers that life insurance was recognized as the standard of value and security in monetary matters. This was shown in an interesting manner by the fact that every great transportation enterprise of the country is backed by insurance companies.

Its educational value in matters pertaining to health was stressed and details of the manner in which great companies are raising the health standards of the nation was related. The value of insurance in thrift campaigns was offered also, but when considered in the phase of insurance as a medium, is marked by the opposite—generosity to a marked degree," declared the speaker.

Insurance in New Phase. Food for thought was offered in the statement that life insurance provides 87 per cent of every estate left. Telling of the possibility of leaving bequests to charities or to one's own nearest and dearest, by considering payments merely as interest on the sum to be left, Mr. Estes presented insurance in a new and novel phase.

The entire talk was interesting to the business women, who expressed their interest and appreciation in enthusiastic manner. In entirely different vein were the entertaining monologues, cleverly given by Mrs. Estes, who kept her audience in a sustained ripple of mirth.

Mrs. Pritchard, of the Oakland club, inspired admiration for that club when she related details of its success in erecting a splendid business building and clubhouse. Next Monday the club members will greet Exchange club members, who will present a courtesy program, now being arranged by their president, W. Floyd Croddy.

DON'T OVERLOOK A GOOD THING

From James Edwards, Montgomery, Ala., comes this letter concerning a valuable suggestion: "I feel like a new man since taking FOLEY'S HONEY AND TAR. Can sleep all night, soreness in my chest is gone, so is the bad cough. My whole family use it for coughs, colds and croup, and it always helps." Stomach tickling in throat, nervous hacking, and puts a soothing healing coating on a raw inflamed throat. Don't overlook FOLEY'S HONEY AND TAR. Sold everywhere.

NEW CALIFORNIA PERSONAL PROPERTY TAX LAW APPLIED BY ASSESSOR JAMES SLEEPER

Designed for the purpose of luring coy securities out into the open, where the tax officials can get at them, the new California personal property tax law, which limits the assessment on foreign securities and solvent credits to seven per cent of their cash value, is being applied this year by County Assessor James Sleeper.

The law involves a reduction in the assessment of about 23 per cent, in Orange county. Assessor Sleeper's customary assessment ratio being 30 per cent of full cash value, for either real or personal property. In some counties, the customary assessment has been as high as 50 per cent.

Taxpayers are expected to submit more freely their foreign securities and credits for taxation under the new law. The old law was of such a confiscatory nature that concealment of securities was a wholesale practice.

Example of Difference. An example of the difference between the workings of the old and new laws is contained in the case of solvent credits. In other words, "good" accounts receivable, amounting to \$200,000, and which owed \$100,000, would be assessed, under the old law, 30 per cent of the difference, or \$30,000, upon which it would be forced to pay a tax of approximately \$1110. In tax of the new law, 50 per cent assessment basis, the tax paid would be about \$1850. Under the new law, the assessment would be limited to \$7000 and the tax paid would be about \$259.

Application of the new tax, it is said, will work out at approximately 1-4 of 1 per cent of the income of any security. In other words, security yielding 6 per cent, actually would draw about 5.75 per cent, net, with the tax deducted. Under the old law, the yield would be reduced to about 4.12 per cent, net. In other words, a \$1000 bond, yielding 6 per cent, would net an income of \$57.27 under the new law, after deducting a tax of \$2.63, while under the old law the net income would be but \$41.25, after deducting \$18.75 tax. This is estimating on a 50 per cent assessment basis.

To take advantage of the new low assessment rate, the taxpayer must voluntarily list his foreign securities and solvent credits in his annual statement to the assessor. Failure to do so means that, under the law, the assessor must assess such securities or credits at their full cash value, if they later are discovered.

Advised to Pay Locally. Some foreign corporations have made provision for paying the California personal property tax, so holders of their stock or bonds are advised to pay the tax to the local authorities and then make claim for a refund of the amount so paid, direct to the company issuing them.

The law covers all "notes, debentures, shares of capital stock, bonds, solvent credits and mortgages or deeds of trust," not exempt under the laws of this state. It provides that a taxpayer may request and have deducted from his taxable solvent credits, but not from stocks or bonds, seven per cent of his debts owing to a bona fide resident of California, if such debts are not secured by mortgage, deed of trust or contract on real estate in this state.

Securities and credits, with a cash value of \$1000, are, therefore, assessed at \$70, upon which \$70 valuation the current local tax rates for city, county and school taxes apply. The securities are not taxed for state purposes.

Exempt securities include United States bonds and certificates; bonds of state, city, county or other political subdivisions of the state; bonds of corporations secured by pledge of land within the state; real estate mortgages, when recorded, notes and contracts secured by California real estate; deposits in savings department of a bank, building and loan association, or savings and loan corporation in California.

The first gold nugget found in California, in 1843, will be returned as a historical relic to that state.

Protection under the United States patent extends throughout the Canal Zone.

Hobbies of Teachers Provide Interest For Clubwomen

OME conception of the interesting hobbies of Santa Ana educators was yesterday given members and friends of the club society when the monthly business session of the club was succeeded by an entertainment interval planned by Hazel Neil Bemus, art supervisor of the schools and presented by different teachers from all sections of the city.

Particular importance attached to the preliminary business session since it marked the date for selection of a nominating committee in preparation for the annual business meeting in late spring when election of new officers will come up. Mrs. S. W. Stanley, Ebelle's president, named two of the members, in accordance with the by-laws of the society, and the other three were named from the floor. The committee is now composed of Mesdames Charles F. Smith, H. J. Forgy, J. E. Gowen, Edward M. Nealley and Leonard G. Swales.

Mrs. S. M. Davis explained the process of presenting names for office after which other features of the business hour were featured including a brief but succinct account of the recent district board meeting held in Pomona, given in detail by Mrs. John Clarkson. Mrs. W. L. Deimling made another urgent plea for recipes from Ebelle folk, pointing out that at least one recipe from each member had been promised, and the promise was yet unfulfilled—with the publication date of the Ebelle cook book, drawing periodically near.

Mrs. Stanley called attention to the Hawaiian trip which Long Beach Ebelle is sponsoring for May and also to the general federation convention in Atlantic City May 24 to June 2, with special trains and accommodations for Californians.

George Peabody, president of Orange County Harbor Chamber of Commerce, was presented and gave an extremely interesting talk on the harbor, ending with an appeal to the women to familiarize themselves with conditions there in anticipation of the bond issue when it arises for the vote of the people, and an invitation to come to Balboa and learn conditions first hand.

Miss Bemus was then introduced and gave a brief outline of plans for the afternoon entertainment, stating that teachers taught school because they liked it, and occupied their leisure hours with other pursuits for exactly the same reason. The hobbies, she also denoted the artistic urge in different ones which yielded the amazing artistic exhibit and entertainment, gave an extremely pleasant afternoon.

Mrs. Frances Beeson, supervisor of music, was introduced and played three of her own compositions, a prelude, a waltz and a reverie, all most melodious and graceful, and played with deep expression.

A very lovely composition by S. J. Mustel, orchestra supervisor, was played as a cornet solo by one of his advanced pupils, Raymond Hutchens, with Miss Theresa Bement as accompanist. The composition is arranged also for band, orchestra and piano and the splendidly rendered cornet solo gave the audience an excellent idea of its rhythmic beauty.

Miss Bernice Yeo of the Franklin school played a charming piano solo she called "Youthful Fancies" and which was exceedingly well-named as it presented moods, dreams and enthusiasms to the thoughtful listener. She was followed by an interval of poetry read by Miss Edith Cornell of the Julia Lathrop school, whose beautiful voice and rare understanding of values offered every aid to expression.

The first, "The Buttes," was a lovely bit of California written by Miss Mabel G. Wing of the Lathrop school. It was followed by three characteristic poems, a sonorous "Hymn to California," the loving tribute, "My Friend," and a charming fancy, "Shadows," all the work of Miss Verna Wells, principal at Roosevelt school.

Miss Elizabeth Parslow of Lowell school, seated herself at the piano and expressed her random thoughts in an improvisation which was particularly lovely and musical. The program closed with a song, "Awakening," words of which were written by an Angeleno, Anthony Stokes Bennett, and set to music by Miss Edith Cornell, who appeared in person to sing, to the piano accompaniment of Mrs. Beeson. The musical setting was tenderly sympathetic and combined with Miss Cornell's voice, one of the sweetest in the city, offered a fitting finish to a delightful program.

After a few words by Miss Bemus in explanation of what was yet to come, the members traversed the corridor and peacock room where tables were filled with examples of "hobbies" in a bewildering variety. Work of the teachers included collections of seaweed, hammered brass, wood-

Out-of-town Guests Among Others at Smart Luncheon

SEVERAL out-of-town friends of Mrs. V. S. Rowley were entertained in charming fashion recently when a luncheon of pretty appointments was presented at the Rowley home, 722 South Main street.

Shades were drawn, leaving the rooms in darkness save for the soft glow of countless pink candles, each bearing a flaming bow of rose-pink mallow. The lovely tones were repeated in great clusters of snapdragons and sweet peas, varied with the same blossoms in orchid tints.

Among those enjoying the perfectly appointed luncheon at 1 o'clock and the delightful afternoon following, were the hostess, Mrs. Rowley, Mrs. F. Clarke, Hollywood; Mrs. Harry Kinsman, Mrs. R. Livingston, Mrs. Right Gary, Mrs. W. Steele, Los Angeles; Mrs. George Simmons, Mrs. B. Jarmon, Long Beach; and Mrs. B. Lemmon, Pasadena.

Young People Give Merry Stag Dinner

In celebrating the first anniversary of their marriage (an event of March 21, 1925) Mr. and Mrs. Burton Wright (Gladys Blakely) of 910 Hickory street, are presenting a number of delightful little affairs, the first of which was given last night when the employees of the Wright Transfer company enjoyed a stag dinner as guests of the young people.

Mrs. Wright maintained a marked simplicity in her decorative appointments, choosing fragrant carnations and freesias to deck the table. The young matron's culinary skill was manifested in the very appetizing dinner which she served in the fashion of English homes, taking her place opposite that of Mr. Wright at the head of the table. Covers were placed for the hosts, Mr. and Mrs. Wright, and for Messrs. O. C. Dennis, J. H. Covington, Grover Judd, Amos Smith and Gerald Blakely.

In the after-dinner interval, cards were introduced and made an excellent opportunity for the assembled guests to present a thoughtful little anniversary gift to their hosts, a card table and two decks of fine playing cards.

Parent-Teachers

Franklin.
Thursday evening the kindergarten room of the Franklin school was filled to overflowing with the friends and parents of the school. All were delighted with the unusually interesting program that awaited them; a program that not only showed the beauty, grace and talent of the little performers but the untiring training and interest of their teachers as well.

First the shadow pictures presented by the children of Miss Katharine Mendenhall's room. The little actors depicted their beloved nursery rhymes behind a curtain and the audience viewed a veritable motion picture of old Mother Goose favorites. Miss Bernice Yeo's solos were greatly enjoyed.

Then came the fairy operetta, "A Rose Dream," which for sheer loveliness fairly took one's breath away. The very spirit of the operetta was expressed in an original poem by Ruth Jenkins, one of the sixth grade pupils. This she presented as the curtain raiser to the play.

And then the curtain was raised on fairyland and on the little girl, Rose, who had lost her way and awakened there. There were the fairies and their queen, just as one had always known they would be if one could only slip into Fairy Land. There were the beautiful flowers, too, the roses, and a whole troop of dancing, rollicking elves. A great giant "Forget" was there too and vied in entertaining their visitor. But she just couldn't forget mother and so at the end of the day the fairy queen put her to sleep and bade Hop O' My Thumb take Rose where her mother would find her safe and well.

Especially appreciated were the solo numbers of Rose, Mary Mendenhall; Fairy Queen, Dorothy Heiney; Giant Forget, Mike Castillo; Hop O' My Thumb, Harold Heiney, and Little Rosebud, Irene Johnson. The duet by "Can't" and "Richard Stimpale and Earl Rankin, and the "Spring Dance" by Janet Roby were also vigorously applauded.

work, paintings, needlework and flowers galore and excited a world of appreciative comment. Miss Bemus has a list of names of those aiding in the exhibit, and their publishing later, will give the public an idea of accomplishments of those in charge of training the city's youth.

ANNOUNCEMENTS

The Southeast Section of the Women's union of the Congregational church will give a silver tea tomorrow afternoon at the home of Mrs. A. J. Crookshank in Tustin. All friends of the church are cordially invited to participate in the promised pleasures and surprises of the afternoon. The other sections are to meet as follows: Southwest will have an all-day meeting at the home of Mrs. W. S. Decker, 922 South Main street, and expect to quilt; the north-east section is to meet at the parsonage, 619 Bush street, members having birthdays in March to assist in receiving; the north-west section will be entertained at the home of Mrs. Clark in the auditorium of the church, 1330 North Garnsey street. All the sections will attend the tea at Mrs. Crookshank's some time during the afternoon. Transportation will be provided.

Missionary Society of the First Christian church will meet at the community house Wednesday afternoon, 2:30 o'clock. Members of the north-west section will be in charge of the meeting. Mrs. W. P. Hagthorn as head of the program committee, will be assisted by Mrs. Charles Phillips and Mrs. Gus Stumpf. Miss Esther Garcia will sing.

The Missionary society of the First Presbyterian church will hold its meeting tomorrow at 2 o'clock in the auditorium of the church. Miss Edna Alger, recently returned on furlough from China, will speak on her work in that country, and with Miss Grace Rowley will present a short scene depicting the work of the missionary in the field. Mrs. Martha Clingan, Presbyterian secretary for Freedman's work, will speak.

Frances Willard P.-T. A. will meet Thursday afternoon, March 11, at 3 o'clock. Miss Esther Jean Davis, head of the music department, will sing a solo and Mrs. Edith W. Thatcher's Latin class will sing "America" in Latin. There will be a question box in which all mothers and teachers are urged to drop their questions.

The Missionary society of Spurgeon Memorial church will meet in the ladies' parlor, Wednesday, March 10, for an all-day meeting.

The Guild and the Woman's Auxiliary of the Church of the Messiah will meet Wednesday for a joint all-day meeting. A hot luncheon will be served at noon, to which every one is welcome upon payment of a small sum. Mrs. L. M. Wollaston is chairman of the luncheon committee. The business meeting of the auxiliary will be held at the home of Mrs. S. R. Byler, 623 East Chestnut avenue, Friday afternoon at 2:30 o'clock.

The Emma Samsons chapter of the U. D. C. will meet Thursday afternoon, March 11, 2:30 o'clock at the home of Mrs. T. J. Haughton, 429 South Sycamore street. All members are urged to be present as Mrs. Douglas, past state president of the U. D. C. of Los Angeles and three guests will be present.

Santa Ana Country Club members are reminded of the club bridge party to be held tomorrow. Luncheon will be served at the clubhouse from 12 o'clock until 2 o'clock when the tables will be made ready for bridge. Those wishing luncheon are asked to reserve their tables as soon as possible.

Birthday Celebration Has Surprise for Guest of Honor

HILE W. D. Barker was well aware that the dinner which he and Mrs. Barker were to enjoy last night as guests of their son and daughter-in-law, the young Roy Barker of La Habra, was planned to celebrate his birthday, the fact that a group of Santa Ana friends were asked to enjoy it with them, came as a complete surprise to the honored guest.

Mrs. Roy Barker had prepared a delectable chicken dinner in honor of the birthday event, and chose St. Patrick emblems as artistic accompaniment to the appetizing dishes and the vivid marigolds centering the table. Covers were laid for the hosts, Mr. and Mrs. Roy Barker, the honor guest, Mr. Barker will be in charge of the meeting. Mrs. W. P. Hagthorn as head of the program committee, will be assisted by Mrs. Charles Phillips and Mrs. Gus Stumpf. Miss Esther Garcia will sing.

The two little daughters of the home, Madeline and Katherine Barker, served the dinner with skill and grace and at the final course produced a handsome birthday cake with the required allotment of candies. In the evening, the merry-makers devoted themselves to cards in which first prizes were awarded Mrs. Whitson and Mr. Trueblood while consolation gifts went to Mrs. Wester and Ralph Barker.

When New Haven, Conn., police searched a prisoner recently they found he wore five suits of underwear, a pair of trousers, heavy overalls and a thick overcoat.

Claremont, N. H., has two Christmas masses. Two hundred and fifty Russians assembled there for an observance of their Christmas day, January 9.

Indiana Guest Made Incentive for Parties

Mrs. A. J. Austin of South Bend, Ind., was incentive for a very attractive dinner given recently at the home of her daughter, Mrs. John J. Vernon of Orange, where she has been enjoying an extended visit.

Mrs. Austin left yesterday to return to her Indiana home, and the dinner was a final courtesy extended her by her hosts. A bowl of roses offered a typical bit of California when used to center the table where dinner was served. Places were indicated for the honoree and her hosts, Mr. and Mrs. Vernon, Mr. and Mrs. Albert B. Sholly and Mrs. E. F. Good of Altadena.

Among the more recent events which have added to the charm of California for the easterner, was a smart tea given late last week at Altadena by Mrs. Albert Sholly, a sister of Mrs. Austin. A profusion of spring flowers enhanced the attractiveness of the home where fifty guests were received during the appointed hours. Mrs. Edward Northy and Mrs. D. E. O'Connor presided at the attractively appointed tea tables.

Dinner Given for Birthday and Wedding

Mr. and Mrs. V. A. Shaw entertained with a delightful dinner last Saturday evening in honor of Mr. and Mrs. Earle Robbins, a recent bride and groom, also for Mrs. Sherman Davis of Long Beach whose birthday fell on that day.

A color scheme of pink and white offered effective table decorations and was stressed whenever possible in the menu. This applied especially to the handsome cake of the dessert course, which combined both birthday and wedding cake features in clever fashion. Cards offered the after-dinner diversion shared by the guests who were Mr. and Mrs. Sherman Davis, Mr. and Mrs. Ralph Connor, Miss Nina Davis, Leon Wilson, Long Beach; Mr. and Mrs. Earle Robbins, Mr. and Mrs. William Robbins and the hosts, Mr. and Mrs. Shaw, Santa Ana.

COUNTY STRIFE HIT BY HARBOR CHAMBER BODY

County division propaganda, which is being circulated among the coast towns of this county, is not meeting with the popular favor. Beach towns, along the Orange county coast were at first inclined to treat the matter as a huge joke, but persistent efforts of the disturbing element to create dissension have recently ceased.

The coastal communities to take the matter seriously and the disturbers have been administered a severe reprimand.

That Orange county communities have no desire to align themselves with Long Beach, and that they do have every intention of co-operating with Orange county inland towns, is shown by a letter received by The Register from the Orange County Harbor Chamber of Commerce. The letter, expressing the sentiments of the residents of the coastal communities, follows:

Text of Letter
"As an offset to the efforts of certain people to create dissension in the county, as was shown in the recent county division agitation and the suggestion to trade and tie in with outside cities and counties, the Orange County Harbor Chamber of Commerce has adopted a general resolution inviting closer co-operation for the county's best good.

The resolution reads:

"Whereas, the county of Orange is one of the choicest parts of the great state of California and can be made still more attractive, its prosperity largely added to, and population greatly increased and profitably located,

"Provided, the thinking men of the county, who have its welfare at heart, work and act together and

"Whereas, the development of Newport bay affords a wonderful opportunity for all Orange county, bringing, as it will, increased wealth, new activities and numerous advantages in many lines and extending all throughout Orange county, and the delay in its development is deeply to be regretted, and we believe that fair-minded persons will not permit it to be much longer delayed, and

Effort to Create Strife
"Whereas, recently certain persons have endeavored, by various methods, to create difference between various parts of Orange county and

"Whereas, there is great need of closer co-operation between all communities of Orange county, in order that the county may progress and prosper and procure its proper portion of prosperity, now therefore,

"We the directors of the Orange County Harbor Chamber of Commerce, do hereby resolve that such activities are not consistent with the best interests of Orange county and its citizens, and we deplore these ill-advised attempts to create discord where now is harmony; friction instead of co-operation and advance of self-interest in place of the general good, and we further

"Resolve, that we urge all true friends of Orange county and of harbor development and of progress and prosperity to get together and outline a plan for securing county-wide, concerted action to bring about the best for all Orange county.

"Orange County Harbor Chamber of Commerce."

IF YOU CORNERED MILLION DURING 1925, YOUR TAXES ARE REDUCED BY \$188,500

This is the second of a series by George Britt, Washington correspondent for The Register and NEA Service, explaining the provisions of the new tax law.

By GEORGE W. BRITT
NEA Service Writer
WASHINGTON, March 9.—The average citizen is in a purely theoretical field when he gets to discussing the surtax feature of the new income tax law.

The surtax applies only to net incomes of more than \$10,000. It puts the payer into a moneyed aristocracy. The man who pays it

tax law of 1913 the million dollar income had to pay \$700,000. The surtax is imposed in addition to the normal tax which the citizen must pay in common with his less prosperous neighbor. For incomes from \$10,000 to \$14,000, the surtax is 1 per cent for all above \$10,000. For net incomes of exactly \$14,000, the surtax payment is \$40. Upon incomes from \$14,000 to \$16,000 the rate is an additional 2 per cent on that above \$14,000. And so it stairsteps up to the maximum of \$11,660 surtax for net incomes of \$100,000, with 20 per cent additional for all above that amount.

The senate materially reduced the

in many cases employs a lawyer or other professional specialist to figure out the amount for him. But the magnetic effect of money upon human attention and the fervid debate upon the subject in both house and senate make the surtax a matter of pertinent general interest.

Working out the surtax for a given income is rather a complicated process. It is far more comprehensible to glance at a table presented herewith which indicates the varying amount of payment corresponding to representative incomes.

Maximum Rate Cut
The old law with its maximum rate of 40 per cent for incomes more than \$500,000 was cut to the maximum of 20 per cent surtax on all incomes more than \$100,000. Only 213 persons in the United States paid last year at the maximum rate.

While the new law cuts the tax of the married man with \$4000 income from \$22.50 to \$5.63, it likewise cuts the tax on \$1,000,000 from \$429,575 to \$241,058. The little man, \$18,516, saves \$18.87; the big man, \$188,516, saves \$188,516.25.

On the other hand, the small taxpayer receives a cut to about one-fourth of his former tax; the big taxpayer finds his reduction less than one-half. Under the wartime

figures as passed by the house for incomes between \$26,000 and \$51,000. The house bill made no reduction in surtax whatever for incomes up to \$44,000. This feature was denounced vigorously by Representative Henry T. Rainey, and the senate changes meet some of his objections.

Tax Exempt Securities
Opponents of the bill were particularly critical of the reduction of the surtax maximum to 20 per cent and its application to all incomes above \$100,000. The answering argument is that the present figure will produce more revenue than would a larger rate.

This argument is based upon the present tendency of capital to invest in tax exempt securities. When the total normal tax and surtax is less than 25 per cent as under the new law, it is more profitable to invest in industrial securities at 6 per cent than in tax-exempt municipal bonds at 4 1/2 per cent. It is estimated, accordingly, that money will be coaxed again within reach of taxation and industry will be benefited by new investments.

Don't Mistake Danger Signs of "Alopecia Pityrodes" for Common Dandruff

Records of Microscopic Examinations Show This Serious Scalp Trouble Is Cause of 85% of Baldness. Its Destructive Bacteria, Working Almost Secretly, Spread Disease Through Scalp Which Brings Baldness in Two to Seven Years.

New Formula to Combat Trouble Discovered by Eminent Hair Specialist. Proves Remarkably Effective in 1033 Test Cases. Stops Falling Hair. Grows New Hair.

DON'T worry now about threatening baldness. A new formula has been perfected by Prof. John H. Austin, over 40 years a hair and scalp specialist, which eradicates the cause of 85% of baldness, stops falling hair, ends dandruff and promotes the growth of luxuriant healthy hair.

Analysis of Actual Case Records Shows "Alopecia Pityrodes" Cause of Baldness

This remarkable formula, now known as "Formula G," is the result of over 40 years' research and actual practice on the part of Prof. Austin. During the past three years Prof. Austin has kept an accurate record of microscopic examination and treatment used on each case coming under his personal attention. An exhaustive analysis recently made, revealed this startling fact: that 85% of men and women afflicted with scalp trouble were victims of "Alopecia Pityrodes," a serious scalp disorder often mistaken for common dandruff, which leads to baldness in from two to seven years.

How Alopecia Pityrodes Destroys Healthy Hair

This affliction occurs in two forms: the first starts with a slight scaling of the scalp, producing dry, flaky scales, commonly called dandruff, making the hair dry and brittle; the second causes thick grayish white greasy scales, making the hair oily and stringy. Both forms cause falling hair. Sometimes a terrible itching is also noticed. This stage lasts from two to seven years as a rule. At first when the hair starts to fall it is hardly noticeable, but as the bacteria multiply by the million, the falling of hair increases rapidly, and unless the disease is arrested, baldness results.

9 Cases Out of Ten Benefited
Falling Hair Stopped. New Hair Grown
A study of case records revealed the remarkable effectiveness of one of nine formulas used by Prof. John H. Austin. In nine cases in ten, this formula, now known as "Formula G," brought beneficial results quickly, arrested the progress of the disease and started a new growth of hair.

Secret of Science in "Formula G"

Only certain ingredients known to Science will destroy the bacteria causing "Alopecia Pityrodes." These remedial agents, however, are practically insoluble and lose their efficacy when combined in liquid form. This is the reason why many popular hair Tonics have failed in combating baldness.

"Formula G" combines these valuable remedial agents with potent stimulants to hair growth in a pleasant cream form, which maintains all ingredients in their full strength. "Formula G" penetrates to the very roots of the hair and destroys the destructive bacteria. It cleanses the scalp and stops itching immediately. It stops falling hair, and by stimulating, reviving and nourishing the hair roots promotes a luxuriant growth of thick, lustrous hair.

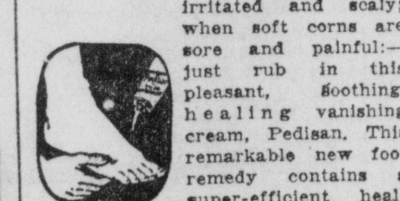

Start this remarkable scientific treatment today. See how quickly the scalp is restored to a healthy condition; and watch how quickly falling hair is stopped and dandruff disappears. When "Formula G" restores the scalp to normally healthy condition, then new hair starts to grow. At all druggists.

He Who Looks the Part—Generally Gets It!

Opportunity picks types more accurately than the casting director of a movie company.

Opportunity selects the man who looks the part—and, more often than not, he fills it.

Looking the part isn't hard these days. Very little money, coupled with a grain or two of good taste, outfits a man in any sphere of life. Once upon a time only the rich could afford to be served by the skillful tailor and his handicraft.

But today, the genius of a single style creator clothes millions through the modern clothing store. There is no excuse for the poorly groomed. Every man can look the part as well as play it. And, incidentally, it's every man's duty to himself to

Cactus or Oranges?

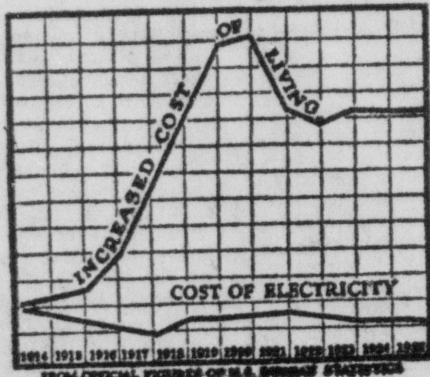

WHEN the first Edison water-power plant was built in 1893 the coyote lurked in the shadow of cactus and chaparral. These same hills, covered with orange groves, are now valued from \$1000 to \$5000 an acre.

Water pumped by electric power is responsible for the change.

Over 1,000,000 acres, previously unproductive, are now supplied with Edison power.

American initiative and the western pioneering spirit have given California the greatest electric system in the world.

And, best of all, the cost for this service is less than before the war while the average of all other commodities is 65 per cent higher.

Think of this the next time you see an orange tree.

WEST END THEATER

"Coot" Caddigan, an Arizona cowboy, while seeing the lights of a large city from the top of a rubber tree, leaps into the midst of a street fight to save a small man from being mauled by a larger one. After the fight he comes on the two drinking amicably in a near-by saloon. He learns the fight was a fake, staged for the benefit of the tourists. The small man, "Stuffy" McGee, invites "Coot" to join with them and night-enact the hero role. "Coot" accepts.

Sometime later "Coot's" gang and a rival band engage in a fight. The recruit thinks it is another fake and emerges from the saloon firing his revolver in the air. A man falls from a window above "Coot" is shot dead. "Coot" believes he has killed him and flees, leaving his sombrero behind. "Stuffy" hides him in his room where live "Stuffy's" three motherless children. The police take "Stuffy." Charged with murder "Coot" escapes from the city taking the three McGee kids with him.

Arriving on his ranch he learns that Jonathan Carey, a millionaire ranch owner, threatens to foreclose on Col. Tom Savery's ranch and marry his daughter Nell. Savery hopes to pay off the mortgage by winning the rich prize that goes to the victor of the Arizona sweepstakes. "Coot" agrees to ride for him. A few hours before the race a city detective arrives to arrest "Coot" on the murder charge but for the sake of the colonel and for Nell, whom he loves, "Coot" risks arrest and rides in the race.

The race is a thrilling cross-country affair participated in by a dozen cowboys, Caddigan, and Carey. The sensational finish is shown in realistic fashion in "The Arizona Sweepstakes," picture featuring "Coot" Gibson and now showing at the West End.

YOST THEATER

A well balanced and entertaining bill of varied vaudeville is that which tonight comes to the Yost theater for two days under the Association Vaudeville banner.

For those who appreciate good singing is the offering by Eugene Emmett and company, called "Family Revue." The billing is singularly appropriate as this revue is composed of two children and their parents. Eugene Emmett, the head of the group of singers, is an outstanding chap with a personality that gets over, an engaging smile and a good tenor voice, embracing a range that holds plenty of strength in the middle and lower registers, in addition to a lyric quality in the upper register that is lyric all the way and not falsetto.

Walter Daniels is a droll comedian of the old school who won the excellent reputation he bears by his indefatigable and successful efforts as a fun maker in musical comedy and vaudeville. Daniels, still adhering to the old time comedy ideas is assuredly a welcome relief from the present crop of so-called nut comedians. Minna Walters, his co-partner in the act, "This and That," is a wonderfully attractive and pretty young woman who plays the violin with the ability and fervor of a virtuoso, sings exceptionally well, and serves as a splendid foil for her clever partner's old time comedy.

Madame Marie and Her Pals will tickle young and old with a marvelous array of highly trained ponies that seem to be able to do everything but talk. The act is attractively staged and is high class in every respect. A bucking mule will be the means of provoking much laughter.

An act in which the woman member enacts the part of the "strong man" is that of Gene and Mary Enos, entitled "Strength and Beauty." It makes little or no difference to Miss Enos whether she supports her partner on her head or on the end of a thirty-foot pole—she is perfectly at ease at all times.

Other feats requiring inordinate strength and power are done with equal facility.

It would not be fair to divulge the nature of the act presented by Moore and Shy. Suffice that their "Study in Contrasts" is both surprising and entertaining.

WEST COAST-WALKER

Spanish politicians don't give citizens to constituents—nor do they kiss babies for votes.

These facts are vouched for by Ricardo Cortez, noted screen actor. Cortez does his electioneering in Spanish style in his role in Ibanez's "Torrent," which closes tonight at the West Coast-Walker theater with Cortez, Greta Garbo and a notable cast. He plays a young Spaniard who is elected to office and becomes a statesman; Miss Garbo is a vivid operatic prima donna.

A notable cast appears in the new picture, from Vicente Blasco Ibanez' vivid novel of Spain. Besides the principals appear Gertrude Olmstead, Tully Marshall, Arthur Edmund Carew, Edward Connelly, Mack Swain, Martha Mattox, Mario Carillo and other well-known artists.

The West Coast presentation, a Fanchon and Marco "Specialty Idea" with Eddie Moran as master of ceremonies gives us a lot of fun. On the bill are Hood and Chapelle, two boys who play guitars; the Robert Sisters, a couple of pretty misses who sing sister songs and dance; and Renoff and Renova, a remarkable dance team that are absolutely the best in their particular type of dancing. Eddie Moran always makes a hit with his audience with his gags, and tonight there will be a lot of fun with the Charleston contest.

Charlestoners Vie For Prize Tonight

Tonight at the West Coast-Walker theater will be the last and the biggest Charleston contest to be held in Santa Ana, Eddie Moran, who is now playing the theater as master of ceremonies with Fanchon and Marco's "Specialty Idea," will be in charge of the contest. Many theatergoers will remember when he conducted a similar contest at the same theater several months ago. "We all had a lot of fun last Christmas," says Moran, "and this will be more fun than a barrel of monkeys."

There will be as before, cash prizes. This contest will serve as a final of all the previous contests. Contestants may either leave their names at the theater, or come up from the audience when the contest starts—at the end of the first show tonight, Manager C. E. Walker announces.

Hold Alleged Car Thief In Bastile

Wesley S. Skinner, \$2, alias William Lewis, who was arrested Sunday after a wild chase through Orange groves in the eastern section of the city, and who is said to be wanted in San Diego for the alleged theft of an automobile, still is in the Orange county jail.

San Diego police have been notified of the man's capture, at their request, but so far have failed to come after him. Skinner is alleged to have stolen a high priced car in San Diego and was arrested here while driving the car toward Los Angeles.

Former City Hall Janitor Fails to Make \$1500 Bail

J. A. Randal, former janitor of the city hall and poundmaster of Santa Ana, who was arrested Sunday night on a charge of driving an automobile while intoxicated, will be brought into Justice Kenneth Morrison's court at 10 o'clock tomorrow morning for arraignment. He was in court yesterday, when bail was fixed at \$1500. He did not make bail.

Randal is charged with driving his car into three automobiles, parked on West First street, Sunday afternoon. His own car was said to have been badly damaged.

Frances E. Willard

Flower Show

Luther Burbank's birthday, on March 7, was the incentive for a flower show at the Frances E. Willard junior high school. There were four prizes offered for the best display of flowers from the home gardens of the students. They were as follows: A copy of "Western Wild Flower Guide," by Saunders, to the boy or girl bringing in the best arranged bouquet of a single variety of flowers; a copy of "Western Wild Flower Guide" to the boy or girl bringing in the best arranged bouquet of mixed flowers. The prizes for the best exhibit of single flowers went to Katherine Barr, and Clifford Haskell. For the best exhibit of mixed flowers, to George Monroe and Catherine Van der Brugge. The judges were Miss Ada McFadden and Mr. Morris.

There were twenty entries. They were as follows: Ranunculus, Catherine Barr, Catherine Van der Brugge; calla lilies, Jose Ojeda; geraniums, Bob Shinn, Peggy Bronson; sweet peas, Wilma Zentner; iris, Walter Van de Brugge; poinsettias, Ret Vogt, Reta Martin; freesias, Clifford Haskell; everlasting, Reta Martin; pansies, Jean Bishop, Dorothy Beasley; roses, Alleen Lair; nasturtiums, Jennie Parris, and mixed, Esther Morgan, Mary Jane Nichol, Alice Johnson, Herbert Sammis, Anna May Johnston.

Student Body Fees

There are a few classes in school which deserve special mention because they are 100 per cent in their student body dues. Many other classes are nearly 100 per cent, but how much nicer it is to be at the top rather than almost there.

The classes which are 100 per cent are Miss Mueller's 6A class, Mr. Archer's 6C class, Miss Libby's 5A class, Miss Bliglin's 2B class, Mr. Chamberlain's 2A class, Miss Childer's 2B class of girls, Miss Davis' 1A class, Miss Hodgins' 1B class, Miss Briney's 1C class.

It is hoped that this will inspire the "Gogetters" to get busy and bring their 50 cents dues so their classes can be among those who have reached the top.

The members of the Dramatics class under the direction of Miss Smith had a very enjoyable trip to the high school Tuesday during the sixth period.

They went to the auditorium to study the lighting system, lighting effects, scenery and curtains.

This trip proved very instructive as it can be seen in the pictures which the school has some new scenery and this trip will help students to choose other scenery, and help them to know how to use it. Perhaps the lighting effects can be arranged to a little better advantage. Surely no work could be more fitting for a dramatics class than using stage accessories to a better advantage.

Helan Hendricks.
The big sisters held a party in honor of their little sisters last Friday after school. Everyone went to the assembly hall first where a very interesting program was given.

Miss Smith sang two selections. The Rurup twins favored with a duet on the piano, then Charlene Lovell gave two readings which everyone enjoyed. Hazel Lee gave a number on her guitar. Next Bea Marie Simmons and Gladys Early put on a very amusing skit entitled "A Pair of Lunatics."

The big sisters then took their little sisters to the recreation room where games were played. Then refreshments of punch and cookies were served.

It is hoped that this entertainment has helped to show the newcomers how welcome they are to be members of Frances E. Willard and especially of Every Girls club.

Plans For All Nations Day
Plans are being made for an All Nations day this term. Frances Willard will combine with atthrop in putting on a pageant at the high school auditorium in the afternoon and evening.

The pageant is being worked out by Miss Bemis, the art supervisor. It is thought that the pageant will make the day even more interesting than it was last year.

All the boys and girls may cooperate in making this day a success by beginning to cut pictures from papers and magazines for the various costumes. Colored pictures will be especially appreciated. These pictures will be mounted on sheets according to a special bulletin-board in the main hall. Bring all pictures to Miss Plumb, the sponsor of the Costume club who has charge of this work.

Elva Cook.
New Moving Picture Machine
Mr. Kellogg has just bought a new moving picture machine for the school. He has already taken some pictures, one of these was of Archer throwing a baseball. The only trouble was that the ball didn't go through the basket. Mr. Kellogg is planning to take many pictures to keep for the history of the school.

Emma Tannebaum.
Area Service Club Meets
The Area Service club held its meeting in the school luncheon room last Wednesday. The girls spent most of the time discussing their picnic plans which were scheduled for the next afternoon.

One new member was welcomed at this meeting, Susan Steward, who is taking the place of one of the old members who went on to high school. Each girl told a riddle, some of which proved very interesting.

Helan Hendricks.
Although the weather seemed against it last Thursday the Area Service club went to Orange County park for the picnic, as planned. It was very nice up there. As soon as members arrived all went boating, and then there were some exciting races. Later supper was had which included a very fine menu. A yell was given for Mrs. Thatcher, leader and also one was given for the president, Margaret Lentz. Every one was glad to have Mrs. Lentz and a new club member, Julia Thorndike, present.

Alice Jacobson.
The 3A Assembly Program
The 3A class, under the direction of Miss Smith, entertained the stu-

dent body with a nice program last Friday.

The program was divided into four scenes with very good musical numbers between each. The first scene was "Spring." In this the following girls put on an English dance, Helen Demetron, Thelma Fitzsimmons, Edwina Gilliland, Claire Herr, Winona Humphrey, Isabel Jardine, Catherine Vander Brugge, Gladys Van Horn, Peggy Warburton, Helen Weissman. A very nice violin solo, "Melody in F" was played by Peggy Warburton.

The next scene was "Summer," in which was a group of Boy Scouts. They were Rhodes Finley, Tom Beasley, John Hoy, and Marion Brooks. Another part of the summer scene was a garden scene with the following girls taking part, Jennie Pospisil, Emmalene Richards, Grace Fox and Dorothy Dunbar. At the close of this scene Emmalene Richards played a violin solo, "Adoration."

The next scene was "Autumn." Those taking part in it were Emerson Burgess, who was Jim and the others were Billy Sylvester, Hideo Higashi, Vernon Brock, Lois Read, Esther Morgan, Pauline Riley, Katherine Robbins. Following this scene Helen Winchell sang a solo which was highly appreciated.

The last scene was "Winter," a sleigh ride. The following boys took part: John Overton, Charles White, Billy Beeman and Edward Adams.

Preston Bradford sang a solo, "Jingle Bells" which was accompanied by Allen Lair.

Honor Roll and Honor Society
Pupils whose names are on the Honor roll have made a record of at least 250 points with includes a high scholarship rating, citizenship rating, active service on the school paper, president of the Every Girl's club, and president of the Boosters club, also membership on an inter-scholastic team.

The following pupils are on the Honor roll this semester: 6A class, Roy Arms and Elva Cook; 6B class, Marie Voight; 5A class, Helen Hamilton, Annie McFadden, and Bea Marie Simmons; 4A class, Thomas Dunn, Barbara Paul and Mabel Wilson; 4B class, Ora Engle; 3B class, Mable Sue Hill; 2A class, Helen Bower, Ethel Ellis, Lillian Hurwitz, Bernice Linger, Rene Regla and Thelma Shippe; 2C class, William Quon.

The pupils who have been on the Honor roll for two semesters are now in the Honor Society. The Honor Society pupils this semester are: 6A class, Katherine Barr; Adahuth Ellis, Helen Hendricks, Halstead McCormack, Clarence Speer and Margaret Waggoner; 6B class, Maybelle Ball, Katherine Chapman, Kathryn Kirkham; 6C class, Dorothy Beasley; 5A class, Mary Clanton; 4A class, Leona James, Mary Mater and Helen Slabaugh; 4B class, Florine Pollock and Wilma Zentner; 3B class, Alice Jacobson, Nobuko Kadawaki, Esther Morgan, and Asa Herren; 2A class, Barbara Rurup, Louise Rurup and Thelma Johnson; 2B class, Jennie Parris.

Julia Lathrop
On Friday of the past week the mothers and daughters of Julia Lathrop shared a happy time at the Y. M. C. A. building. The occasion was a banquet and covers were laid for one hundred forty diners. Community singing and toasts were enjoyed by those attending the banquet which was sponsored by Mrs. Webster. Mr. Cranton and Mr. Nielsen gave toasts during the course of the banquet. Misses Foster, Chalmers and Bruner assisted the girls in planning the program. Such an occasion needs more intimate fellowship between the school and the home and many feel that more affairs of the sort should be encouraged for this reason.

Tuesday the greater part of the student body enjoyed a program presented by the Jubilee quartet.

New Clubs Organized
Class activities are presenting some very interesting projects and organizations this semester. Miss Hazel Thrasher's home section has recently organized a Ukulele club. Members of the club have arranged to hold their meetings on the first Friday in each month. Miss Jella Thrasher's 6LT class has organized a club called the Citizenship Improvement club. This class has charge of all fire drills. Various members of the class will be stationed in different parts of the building and students are requested to follow explicitly the directions of these "assistant firemen."

Domestic Art Department
The Domestic Art department reports marked progress in the cooking room which is under Mrs. Sinks' direction. Low nine classes are studying a text called the "School and Home Cook Book" by Gruron. Pride in the appearance of the kitchens and in the excellence of the food turned out by the girls is encouraged at all times by the department.

Miss Foster's ninth grade sewing classes had the pleasure of seeing a demonstration of an electric washing machine and an ironer. The simplicity and ease with which such work could be accomplished with the aid of these modern appliances was very apparent to the girls who saw the demonstration. It was found that out of one class, fifty per cent of the homes own electric washers while from another class, seventy-five per cent of the homes reported owned such machines.

The sewing classes are now engaged in making dainty curtains for the school cooking department. Ninth grade girls are starting work on pattern drafting. The sewing

department has a motto which says "Quality of work rather than quantity." Having seen the work turned out by the department, one feels sure that the motto is well taken.

P. E. Classes
The low nine classes of Miss Chalmers' P. E. classes have started practicing for the indoor baseball games which will form a part of the season's competitive activities. Captains have been chosen and the girls plan to play a series of three games lasting a week.

Snake Comes to School
In Miss Brookaw's general science class a most interesting incident concerning a snake occurred recently. One of the boys brought to class a gopher snake intending to explain the good that a non-poisonous snake can do. Miss Brookaw took advantage of the opportunity to hold the snake in her hand, and explain its biological aspects to the class. She plans to keep it in her room for study purposes. Such an occurrence must take the zest from the story of the traditional small boy who brought snakes and mice to school for the purpose of scaring "teacher."

Speed Test Taken
On Friday, February 25, three girls of the typewriting classes took the Underwood speed test for award of a certificate. All three girls made the test. Their names and net rates are as follows: Marguerite Owen, 33.4; Hazel Storm, 33.1; Wilma Patterson, 30.0.

The girls wrote for fifteen minutes and will receive an engraved certificate from the Underwood typewriter company.

"The Gypsy Rover"
Miss Cornell of the music department has been very busy during the past few months preparing an opera called "The Gypsy Rover." The work of the glee clubs and music department is always excellent and Lathrop is looking forward to the presentation of this opera to be given in the near future. The cast has been announced as follows:

Meg, an old gypsy woman, Hazel Stokely; Zara, belle of the gypsy camp, Dorothy O'Bar; Sinfo, a gypsy lad in love with Zara, Leo Gasyper; Rob, the Gypsy Rover, Bob Cyp; Lady Constance, daughter of George Martindale, Gertrude Prior; Lord Craven, an English poet; Sir George Martindale, English country gentleman, Herman Goodwin; Nina, Sir George's second daughter, Elizabeth Smith; Captain Jerome, Burton Harvey.

Assemblies Held
On Friday the girls' and boys' assemblies held interesting programs during the forenoon. Miss Bruner had charge of the Every Girls' program which consisted of several musical numbers and an interesting reading by Miss Margaret Cummings of Orange.

The Boys I. X. L. program under Miss Leila Thrasher's direction consisted of some readings and a splendid talk by Mr. Clayton of the high school.

Parent-Teachers
Roosevelt

The Roosevelt P.-T. A. held its monthly meeting at the school, Tuesday afternoon, March 2.

The first speaker of the afternoon was W. McKay, who is associated with The Santa Ana Register. The subject of Mr. McKay's talk was "Boys." He was well equipped to handle this subject as his work in behalf of boys, especially those in extreme need of such help, is notable.

Following this talk, Mrs. Ione Tunison Peek told of her experiences during her recent sojourn in France. Mrs. Peek spoke of the French music and the customs of the people which so influence such music. Her first piano number was "Dante" by Tchaikovsky, which was played with ease and surety. Her next number, "Knitting Needles," left no doubt in the mind of the hearer as to its theme.

A round table discussion of citizenship and the qualities which may be encouraged in children, to further good citizenship, was led by Mrs. Fred Medbury.

After the meeting was adjourned delicious refreshments of sandwiches and coffee were served.

Acid Stomach
"Phillips Milk of Magnesia"

Better than Soda

Hereafter, instead of soda, take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the soured waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." Twenty-five cent bottles, any drugstore.—Adv.

Richfield Oil Co.,
Bartlett Building,
Los Angeles, Calif.

Gentlemen:

I have been instructed by the Board of Control of the Detroit Arctic Expedition to inform you that our engineers selected Richfield gasoline because they believed it would best fulfill the purposes that we have in mind.

As you know, the success or failure of such an expedition depends largely upon the quality of the lubrication and fuel that is used in the engine. A non-stop flight of 1900 miles is a difficult undertaking under the most favorable conditions, let alone attempting it over dangerous polar ice.

After an exhaustive study of the various gasolines available, we selected your product as the most suitable for our purposes.

Captain Wilkins will keep you informed as to results obtained from your fuel on the flight.

Sincerely yours,
Charles G. Carroll
Assistant Manager

It is significant that Detroit, recognized capital of the automotive world—with every conceivable resource and facility—with the world's finest engineering and scientific knowledge—narrowed its choice to one gasoline.... Richfield!

THERE could be no more conclusive proof of quality—the greatest tribute that was ever paid a gasoline! Accepted leader, and exclusive choice of the world's greatest drivers—men who know gasolines—Richfield is recognized throughout the world of fine motors for its remarkable records.

Recognized by President Coolidge, sponsored by the Detroit Aviation Society, whose officers and directors include many of the wealthiest and most distinguished men of the nation; the Detroit Arctic Expedition is to explore that area of the polar ice pack never seen by man, and claim for the United States any land that may be found. Its final 1900 mile non-stop flight over the Pole is one of the most hazardous undertakings of the century.

Here was a case where only one factor governed the selection of every item of equipment, every supply to be used—that it must be the finest

the world afforded! That the Board of Control of the Detroit Arctic Expedition should choose this famous California gasoline above all others, is a sincere tribute to its quality.

With the choice of every gasoline that is sold—with the resources to manufacture or purchase any and everything desired—they wired to California for 6000 gallons of Richfield!

No matter what hazards are faced, what unforeseen obstacles must be overcome, they know their gasoline will never fail. That it will deliver the utmost in speed, power and mileage, combined!

When you put Richfield in your tank you know you are using the world's finest gasoline—a product unrivaled in its field—whose name is linked with every important A. A. A. speedway victory and world's record for five consecutive years.

For Head Colds

THERE are many ways to treat a cold in the head, but only one DIRECT way, and that is with vapors that can be inhaled.

The easiest and most satisfying way to get these vapors is to use a little Vicks VapoRub well up the nose, or melt a little in a spoon or tin cup and inhale.

The medicated vapors reach immediately into every corner of the air passages, soothing and healing with every breath.

For other forms of cold troubles just rub Vicks over the throat and chest at bedtime. It is then the body heat which releases these vapors.

RESOLUTION OF INTENTION
No. 1881
A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF SANTA ANA, CALIFORNIA, OF CLARIFYING THEIR INTENTION TO ORDER THE CONSTRUCTION OF A LIGHTING SYSTEM IN AND ALONG EAST FOURTH STREET AND ON A PORTION OF PORTER STREET IN THE SAID CITY; DECLARING THAT SAID WORK AND IMPROVEMENT TO BE OF MORE THAN LOCAL OR ORDINARY PUBLIC BENEFIT; AND AUTHORIZING THE DISTRICT TO BE BENEFITED BY SAID WORK AND IMPROVEMENT AND TO PAY THE COSTS AND EXPENSES THEREOF, DETERMINING THAT BONDS SHALL BE ISSUED TO REFINANCE SAID COSTS AND EXPENSES, AND FIXING THE TIME AND PLACE FOR HEARING OBJECTIONS TO SAID WORK AND IMPROVEMENT, OR TO THE EXTENT OF THE DISTRICT TO BE ASSESSED, OR BOTH.

The Board of Trustees of the City of Santa Ana, pursuant to the provisions of the Improvement Act of 1915, and amendments to said Act, do resolve as follows:

SECTION I. That the public interest and convenience require, and it is the intention of the Board of Trustees of the said City of Santa Ana, California, to order the construction of the following described work and improvement, all within said City, to-wit:

(a) East Fourth Street from the East curb line of North Main Street to the West property line of Grand Avenue.

(b) The East ten (10) feet of Porter Street from the North line of East Fourth Street to a line seventeen (17) feet North of and parallel thereto.

The improvements hereinafter described shall be done and made on all of the above described streets at the places and in the manner shown on the plans and specifications hereinafter in this Resolution more fully referred to.

The work and improvement is more particularly described as follows:

That an ornamental lighting system be constructed in the said portion of East Fourth Street and Porter Street in the City of Santa Ana, together with the necessary appurtenances to said lighting system, including the installation of double light standards of a type and kind known as the King Ornament Standard Design Drawing No. K-671 complete, including concrete foundations, poles, wiring, lamps, globes, canopies and other necessary items.

That all necessary appurtenances to the construction of a complete ornamental lighting system on the streets herein set forth and as are shown on the plans and specifications hereinafter more fully referred to, shall be installed, including among other things, the replacement of curbs, sidewalks or pavements out or damaged during the construction work.

That for the installation of the hereinbefore described system a patented article will be used, and a license agreement between the patent owner and the City of Santa Ana is now on file in the office of the City Clerk, which plans, profiles, cross-sections and specifications for said work and improvement are hereby referred to for a full and detailed description of the same as though set forth in full herein.

PLANS, PROFILES, CROSS-SECTIONS AND SPECIFICATIONS
SECTION II. All of the foregoing work is fully set forth in the plans, profiles and cross-sections on file in the office of the City Engineer, District No. 122, on file in the office of the City Clerk, which plans, profiles, cross-sections and specifications were adopted by Resolution No. 1223, of the Board of Trustees of the City of Santa Ana, as the plans, profiles, cross-sections and specifications for said work and improvement, and the same as though set forth in full herein, and shall be directory as to the location of all work to be done and the type of work and improvement, and as to the materials to be used in the improvement.

DESCRIPTION OF BONDS
SECTION III. The Board of Trustees does hereby declare and determine and notice is hereby given that serial bonds to represent unpaid assessments, and to bear interest at the rate of six (6%) per cent per annum, will be issued hereunder in the manner provided in the "Improvement Bond Act of 1915," the last installment of which bonds shall mature nine (9) years from the day of July, next succeeding ten (10) months from their date.

DESCRIPTION OF DISTRICT
SECTION IV. That the contemplated work and improvement hereinafter mentioned is, in the opinion of said Board of Trustees of more than local or ordinary public benefit, and the expense of said work and improvement is made chargeable upon the district hereinafter described, and said Board of Trustees does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof, which district is bounded and described as follows, to-wit:

BEACH RABBIT IS DECLARED BEST AT SHOW

HUNTINGTON BEACH, March 9.—Xavier IV, owned by William Sparks, of this city, was the winner of the challenge cup offered for the best rabbit exhibit at the Compton industrial fur rabbit show last week. The winner of the cup is an American white, eight-months-old and weighs 10 pounds. Sparks will have possession of the challenge cup for one year and if he is successful in winning it again next year, it will become his permanently, as two wins are necessary to keep the cup.

GLENDAL MAN GETS STIFF FINE

FULLERTON, March 9.—A fine of \$300 or 300 days in jail, one of the stiffest sentences imposed by City Recorder George F. Storey, was meted out yesterday to James W. Welch, 38, of 3445 Toledo avenue, Glendale.

Welch was charged with intoxication and possession of liquor and was convicted on both counts. According to officers, Welch was arrested on the highway near here yesterday. He was alleged to have been in an intoxicated condition at the time of his arrest and officers declared they found several pints of alleged liquor in the rear seat of his machine. Welch, unable to pay the fine, was in the county jail today.

Welch was the first person to appear before City Recorder Storey on a charge of possession of liquor during the past year.

John W. Miller, of 656 Central avenue, Los Angeles, was assessed \$50 on a charge of possession of liquor. Miller was said to have had a small amount of liquor in a hip pocket flask.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 50c.

Walter Davis Appointed Brea Treasurer

BREA, March 9.—Robert Renner, for many years employed in the clerical department of the General Petroleum corporation's offices at Brea, who is also city treasurer of Brea, has resigned from both positions and will leave soon for Ohio, where he and his family will make their future home. Walker O. Davis, vice president of the First National bank, has been appointed by the city council to fill the vacancy until the next city election of officers in April.

MISS KITCHING NEW HEAD OF LIBRARY CLUB

ANAHEIM, March 9.—Mrs. Ethelene Kitching, librarian of the Fullerton union high school, was elected president of the Orange County Library club at the regular quarterly meeting of that organization in the Anaheim public library building.

Other officers named to serve during the year were Miss E. Kate Rea, Anaheim public library board, vice president, and Miss Carrie Sheppard, Fullerton public library secretary-treasurer.

Members of the Anaheim public library staff, headed by Miss Elizabeth J. Calnon, head librarian, acted as hostesses to the visiting library workers at the morning meeting and at a special luncheon served in the Legion hall at noon.

Approximately 50 members of the club and their friends, attended the sessions.

Miss Caroline Seales, of the Long Beach public schools, was principal speaker at the morning session, choosing "Children's Books" as the subject for an interesting paper.

GARDEN GROVE

GARDEN GROVE, March 9.—The regular meeting of the American Legion post was held Thursday evening, with Ira Stout, commander presiding over the business meeting.

The Boy Scout organization was present to see how the Legion meetings are carried on.

Tax exemption papers were filled out for all members present and the same will be done at the next meeting on March 18.

Two members will explain the government insurance at the next meeting. Ex-service men were urged to take out the government insurance.

Honoring the birthday anniversary of her little daughter, Dawn Patricia, Mrs. Goldie Cornett entertained a number of friends at the home of Mr. and Mrs. Samuel Brentlinger on Saturday evening.

The evening was enjoyed with music and cards, after which refreshments of sandwiches, coffee and candies were served. There was a large white birthday cake, decorated with three tiny green candles.

REBEKAHS OF COUNTY MEET IN ANAHEIM

ANAHEIM, March 9.—Rebekah lodge members of Orange county assembled yesterday at the local Odd Fellows' hall for an all-day session and evening program. Seven lodges, Santa Ana, Orange, Fullerton, Huntington Beach, Anaheim and Newport Beach, were represented. Numbers furnished by each lodge made up the entertainment program during the day, while the Anaheim lodge members and the grand officers performed distinctive ceremonies in the evening.

Mrs. Allen, Anaheim, noble grand, was chairman of the occasion. The local lodge also served lunch to the 250 present.

Miss Robert Horn, Torosa Rebekah lodge, Santa Ana, gave readings. Mrs. Edith Havens Clark, of Sycamore lodge, Santa Ana, sang soprano solos. Henry A. Gallenue, of the Huntington Beach lodge, rendered several baritone selections. Ruby Smell, six, and her sister, of Orange, entertained with Charleston dancing and piano solos.

Time not devoted to the program was spent studying ritualistic work of the order.

The guest of honor was Miss Alinda Anderson, president of the state assembly. Other guests present who are prominent in Rebekah circles were the following: Mrs. Mabel Seelye, San Diego, vice president of the state assembly; Mrs. Ada Madison, San Francisco, secretary; Mrs. Alice Sieman, Pasadena, past junior president; Mrs. Stella Merrick, Long Beach, past president; Mrs. Fanny Lacy, Santa Ana, past president and former trustee of the orphan's home at Gilroy; Mrs. Amelia Prather, past marshal.

In the meeting of the grand officers, awards were made to those who had distinguished themselves in Rebekah work. Mrs. Amelia Prather made the presentations.

BREA

BREA, March 9.—J. R. Hunt, vice president of the State Exhibitors' association, expects to attend a meeting of the organization at the San Diego Chamber of Commerce on March 12.

Joe Talmadge, 26, who for the past 12 years has made his home with Mrs. G. H. Lackey, of the Royal Court apartments, received serious burns Thursday night while working at the Pacific Gasoline company's plant at Signal Hill. His clothing became saturated with gasoline and was ignited from the flame of a torch. He was removed to the Seaside hospital in Long Beach, where he received treatment for bad burns about the head, arms and upper part of the body. Attending physicians report that he has a good chance of recovery.

Mr. and Mrs. James Bergman were called hurriedly to Calexico Thursday night by the sudden and severe illness of Mrs. Bergman's aged mother, Mrs. C. V. Morris. The Bergmans had spent the previous week-end in Calexico and left Mrs. Morris feeling quite well, so that the message, expressing grave fear for her recovery, came as a distinct surprise.

Scoutmaster Herbert Hall has announced that owing to the rapid growth of the Scout movement in Brea, it has been thought best to hold the meeting of the cubs at 5:20 o'clock each Wednesday evening, adjourning at 6:45 o'clock 20 minutes in advance of the meeting of the older Scouts. A bicycle relay is being planned for the near future, the date to be announced soon. Fifteen of the Scouts went over to Orange county park over the last week-end and learned a lot about nature and camp life. The boys are indebted to A. D. Yost and George Henigan, of the Lions' club, for transportation, and to Ed Peterson and Jack Collins, who are members of the committee on transportation.

The Union Oil company is continuing the program of instruction instituted two years ago in providing classes in bookkeeping and accounting to all employees of the company who care to take advantage of it. The basic principles of bookkeeping and accounting, particularly as they apply to the system used by this company, will be taught.

The Brea P-T-A held their meeting in the Brea grammar school auditorium Friday afternoon. Members were favored with a demonstration of real school hangings—everything!

CONDEMNATION SUIT LAW GIVEN FINAL READING BY NEWPORT BEACH TRUSTEES

NEWPORT BEACH, March 9.—

The final reading of the city ordinance which provides for a condemnation suit to secure land owned by C. G. Henry was heard by the city board of trustees last night. The land is needed by the city to complete Central avenue through to the Peninsula below Balboa. With the start of condemnation proceedings, he appeared before the city trustees and offered the land for \$1000. The trustees turned down the offer and last night continued the condemnation suit.

Condemnation proceedings to secure land upon which the new wa-

ter reservoir is situated also were started last night, when an ordinance providing for the suit was read for the first time. The reservoir, situated on the bluff north and west of town, is a private property, and it is necessary for the city to condemn a strip 49 by 230 feet. The condemnation suit has been made necessary through the reported refusal of the owner to sell at a price he had previously quoted to the city.

A permit for a bait concession stand at the end of the Balboa pier was granted. The matter was put over until a previous meeting of the trustees.

PLACENTIA, March 9.—Arthur Anderson and Joachim Queyrel were yesterday elected to the board of directors of the local sanitary district. Only about 30 ballots were cast and they were unanimously in favor of the two candidates.

Albert C. Stansbury was re-elected assessor of the district. Stansbury was the only candidate for the office.

Ole Christensen and W. C. Cober were the two directors whose terms expired. O. C. Christensen was the former assessor. None of the men were candidates for re-election.

LAUNER AND RHODES NAMED TO BOARD.

LA HABRA, March 9.—J. G. Launer and W. L. Rhodes were yesterday re-elected to the sanitary board of this district by a unanimous vote. The men were the only two running for the positions.

Louis Muchow was re-elected assessor for the district. Muchow had no opposition.

Only about 40 ballots were cast at the election.

work by the pupils of Miss Eastham's third grade. Dr. W. E. Jackson gave a short but instructive address on the ears, nose and throat, using blackboard illustrations. Miss Porter, school nurse, reported that the local schools headed the list of all the county grammar schools in the sale of Red Cross seals.

Notices have been posted to the electors of the Brea-Olinda union high school district that there will be an election held on Friday, March 26, at the Laurel school building at Brea and at the Olinda grammar school in Olinda, for the purpose of electing one school trustee for a term of three years to fill the vacancy of the expired term of A. H. Brown, now president of the board. Mr. Brown has announced his candidacy for re-election and so far as is now known, there will be no other candidate. The polls will be open in Brea from 8 a. m. to 8 p. m. and in Olinda from 1 p. m. to 6 p. m. Election officers in Brea are W. B. Corlett, inspector, with Mrs. Lena M. Smith and J. J. Bell acting as judges. Olinda officers are Mrs. Katherine Vanatta, inspector; Mrs. Maude Freaney and A. E. Bragg, judges.

Expired term of C. R. Merrifield on the grammar school board will be in order at this time also. Mr. Merrifield, it is understood, is uncertain as to whether he will again be a candidate and it is announced that Ted Craig will be a candidate for the office.

Acting Postmaster Elmer Gurely, who has been seeking recovery past two weeks, was removed to the Anaheim hospital Saturday, where he is soon to undergo an operation. Attending physicians report that the outer lining of the lungs have become effected as a result of his recent attack of the flu. Much hope is now held that Mr. Gurely will soon be in his usual health and able to resume his duties at the post office, until such time as the newly appointed postmistress, Mrs. Florence Mathews, takes charge.

Funeral services for Mrs. Amethyst Thomas, who passed away Thursday morning at her home at 216 South Madrona, were held Saturday at 1 p. m. at the First Methodist chapel, with the Rev. W. E. Spicer in charge. Members of the Woman's Relief corps, of which Mrs. Thomas was until recently an active member, attended in a body and participated in the services at the grave. Interment was in Loma Vista. Mrs. Thomas was 52 years of age and had been a resident of Brea for many years. She was a member of the Christian church of Brea and as long as her health permitted, was a faithful worker there, but had been confined to her home for many months. She leaves to mourn her, one son, Purly S. Thomas, who made his home with her; two sisters and several nieces and nephews.

Mrs. J. R. Hunt, head of the tree planting committee of the Woman's club, entertained with a luncheon at her home Friday noon, having as her guests, the members of the committee who have worked so earnestly with her in this campaign. Those present were: Mesdames Phelps, Close, Fanning, White, Meisner, Yarborough and Sayles. Mrs. A. D. Clayton, president of the club, was also a guest. Their work practically ended, they spent the hours after luncheon in making up the list of trees and placing the order to insure their delivery in time for the ceremonies on Arbor day.

Ed Olmstead, formerly president of the First National bank here, greeted friends the last of the week.

At the meeting of the Brea city council Wednesday evening, J. G. Sargent was appointed deputy tax collector for the city.

DIRECTORS FOR BOARDS SELECTED

GARDEN GROVE, March 9.—The regular monthly meeting of the Garden Grove Chamber of Commerce was held at the Garden Grove hotel, Monday noon, with a good attendance.

The chamber appointed an advisory committee to confer with the board of supervisors regarding the water district. Members of the committee are J. C. Mitchell, F. E. Anderson and H. E. Dungan.

The proposition of the proposed fire district was taken up and it was voted to form a fire district. The following committee was appointed to take charge of the proposed fire district: W. T. Lambert, C. S. Holt and J. G. Allen.

TUSTIN BOYS ARE
Hosts at Party

TUSTIN, March 9.—Boys of the high school Sunday school class of the Presbyterian church were hosts Saturday night to the high school girls' class at a party held at the Arthur Lindsey home on Newport ham's third grade. Dr. W. E. Jackson gave a short but instructive address on the ears, nose and throat, using blackboard illustrations. Miss Porter, school nurse, reported that the local schools headed the list of all the county grammar schools in the sale of Red Cross seals.

Notices have been posted to the electors of the Brea-Olinda union high school district that there will be an election held on Friday, March 26, at the Laurel school building at Brea and at the Olinda grammar school in Olinda, for the purpose of electing one school trustee for a term of three years to fill the vacancy of the expired term of A. H. Brown, now president of the board. Mr. Brown has announced his candidacy for re-election and so far as is now known, there will be no other candidate. The polls will be open in Brea from 8 a. m. to 8 p. m. and in Olinda from 1 p. m. to 6 p. m. Election officers in Brea are W. B. Corlett, inspector, with Mrs. Lena M. Smith and J. J. NEWS FROM ORANGE AND SURROUNDING DISTRICT

ORANGE SCHOOL HEAD IS BACK FROM CONFAB

ORANGE, March 9.—Frank A. Henderson, principal of the Orange union high school, who has just returned from the convention of the National Education association in Washington, D. C., believes that the session just concluded bears special mention for two reasons. The first cited by Henderson is that over 5,000 people of all classes were in attendance. This is more than ever before attended such a gathering, stated Henderson. The second noteworthy feature in Henderson's opinion is that so many people of national prominence were scheduled on the program during the convention. Addresses by President Coolidge and Secretaries Wilbur, Kellogg and Work were features on the program.

Henderson, who attended with Principal Plummer, of Fullerton union high school as the only two representatives of Orange county, reports that an important activity of the convention was the attempt to remove the bill dealing with education (Seed bill) from the hands of committee and bring it before congress. However, stated Henderson, the efforts of the group seemed doomed to failure for from all appearances, the bill will not leave committee this session. Another item featured in the convention was the discussion of timely questions arising before school officials throughout the nation such as teaching the Bible in the classrooms. Arguments were advanced by proponents of both sides.

That California educators held the value of the convention highly was well established, according to Henderson, when more than 30 pedagogues from this state made the long trip. This number was present at the California breakfast given on February 22. At this assembly, Secretary of the Navy Wilbur was the principal speaker.

Other Californians of note who appeared before the group were Mrs. Julius Kahn, congresswoman from San Francisco, Congressman Barber, of Fresno, and Congressman Walter Lineberger, of Long Beach.

On the journey to and from the national capital, Henderson visited some places he had never visited before. According to him, the "old south" is still the "old south." Ox teams are still in common use and living conditions show ample room for improvement, he said.

"The evidence is that the south is very backward," he remarked.

An interesting diversion of his visit through the southern section, according to Henderson, was his visit in New Orleans at the time the Mardi Gras was in full swing.

A superintendent of schools of Cincinnati, Randall J. Condon, was elected president of the National Education association. It is very probable that the convention next year will be held in Cincinnati, Henderson believes.

WESTMINSTER

WESTMINSTER, March 9.—The younger married people of this community gathered Friday night in the church hall for a pot-luck supper and social time. Those present were Mr. and Mrs. O. J. Day and children, Mr. and Mrs. Clyde Day and children, Mr. and Mrs. Charles Walton and children, Mr. and Mrs. Harry Mansperger, Mr. and Mrs. George R. Clark, Mr. and Mrs. Luther Rix and children, Mr. and Mrs. T. E. Turpin and children, Mrs. William LaTouche, Mr. and Mrs. Rueben Edwards and son, Mr. and Mrs. Francis Pennell and children, Mr. and Mrs. Will Nankervis, Mr. and Mrs. O. C. Hare and daughter, Mary Lou, Mr. and Mrs. Ralph Baxter and children, Rev. and Mrs. R. A. Weld and children. Indoor ball was played after supper.

The girls' basketball team at the grammar school here scored heavily against the Seal Beach school team in an exciting game played in Seal Beach Friday afternoon. The score was 34 to 7. The boys also played against the Seal Beach team, but lost to their opponents, 23 to 15. Those who played were Eldora and Elvira Finley, Ruth Melvin, Lola West, Elizabeth LeTouche, Russell Whitcomb, Phyllis and Shirley Day, Borel Loftis, Robert Edwards, E. W. Stringer, Marvin Benson and Kenneth Hazard.

A wonderful day was enjoyed Saturday by students in Miss Irma Paytons and Mrs. Marjorie Fox's rooms, when they motored to Orange County park for a picnic to gether. About 50 were in a crowd, and the day was spent in hikes in the morning, an archery contest and various races and games during the afternoon, with a delicious dinner at noon under the trees. The park is green now, and the children returned in the late afternoon with happy hearts. Those who chaperoned the youngsters were Mr. and Mrs. Thomas Treanor, Mrs. Ora L. Schieber, Mrs. Phil McCintock, Mrs. R. L. Pollard, Mrs. Henry West, Mr. and Mrs. A. Goble, Mrs. T. R. Payton, Miss Irma Payton and Mrs. Marjorie Fox. Those who won prizes in the archery contest at the picnic were William Schmidt, first, and James Goble, second.

Initiation Planned By Auxiliary

ORANGE, March 9.—Selling cooked foods in the plaza Saturday morning, the Legion auxiliary will carry out the first of the projects planned at the bi-monthly meeting yesterday afternoon in Legion hall.

Under the leadership of Mrs. George Baier, chairman of the committee in charge, booths containing many varieties of foods will be arranged in the plaza park.

In a joint meeting with the American Legion post on the evening of March 22, 13 new members will be initiated into the auxiliary, according to present plans. These
